CLUB NEWS

Hello again folks, another great show on June 2nd with many dressing up for our 'outback' theme. The decorations really captured the spirit of things, thanks to Evonne and her good friend Wendy who provided the hay bales. June Sparks told me that the idea of the arrangement of the hay bales and other decorations around the stage came to her in a dream, so well done June and all the other helpers. And what about those goodies that were handed out at the door, weren't they great. Well done, Evonne. The sausage sizzle went over very well, thanks to our chefs, Adrian and Bryan, and the girls of the catering crew for their presentation of it all. Don't forget next month, being a winter month, will be a hot pies and pasties day.

Whilst I am at it I must apologise to the other members of the committee for not being around to help with the clearing up afterwards. I had to leave early to attend a dress rehearsal of my musical show "Fiddler on the Roof", which will be on from 20th - 29th June at the Arts Theatre.

It was very good to see Marie O'Connell again, we missed her last month. Very good to see her able to walk in with her walking frame. Keep it up, Marie, I'm sure everyone joins me in admiring your fighting spirit in very difficult times.

Don't forget to have your thinking caps on for nominations for committee and also for the club awards when the annual general meeting comes up in August.

Membership has been going great guns, however there are still some who have not as yet renewed for this year. So if you know anyone who has not renewed, remind them of all of the benefits from being a financial member, including the newsletter each month.

Well that's all I have for you this month - look forward to seeing you on July 7th.

Best country regards,

Rob Smith (President)

LORRAINE'S ROUND-UP

Hi there! We sure celebrated the Year of the Outback last month. Our band for the day, Saddletramp, was terrific. John Turner, leader of the band sure does a great job. It's always a pleasure to hear a pedal steel in a band as well. On arriving attendees were given goodies in the form of a packet of animal shaped biscuits and a bag of lolly snakes and lizards, which had everyone wanting a second helping. Thanks to the catering girls for organising them, and thanks to the boys who cooked the sausage sizzle.

Thanks to the people who dressed up – good to see a few corked hats, driz-a-bone coats, cowboy hats and boots.

June and Di organized the stage decorations and did us proud.

Special thanks to Bryan Sparks for eating all the baked beans to supply our table vases of gum leaves.

June said "No, it was cat food." Don't know what she means by that. I guess when you watch some of the TV ads the cat food looks yummy.

Our walk-ups for the day - (all the way from Wallaroo) Doug Dayman, new member, first time on our stage, sang one of his own songs. A true balladeer, Alan Dayman, singer/songwriter did a couple of Banjo Paterson poems, as did our President Rob Smith. I like poets. We will have Bob Magor at our Christmas show so look out for him on that day. Dookie Smith, our versatile lady played the piano accordion. Betty Thiele from Port Hughes, Di Smith and yours truly (me, Lorraine) did a comedy song Betty wrote called "Land of the Flies". Di and I with our fly swats did our best to play the fool. We then finished off with our version of "Song of Australia", the one we used to sing in school more than a decade or two ago. Then I yodelled a couple of songs, and yes you the audience are right, Di Smith yodelled with me, so more hidden talent on the committee.

Now for our special guests. Jim Hermel (he really is Mr Nice Guy) entertained us. I love his version of "Will The Circle Be Unbroken". Jim is a fantastic guitarist and performer. Our big surprise for the day was Raymond Turner, our Didgeridoo player. He told us how they are made and how to play them, and that only men are allowed to play them. Very interesting, and the sounds he got out of it were great. After playing solo the band joined in and it was magic. If you weren't there you missed something special. Thanks again to everyone

Bye for now...

The AGM is getting close, so it's time to give some thought to nominations for the club awards. A nomination form is included elsewhere in this newsletter. The recipient for the Industry Award is chosen by the committee, from nominations submitted by the members. The recipient for the Merit Award is nominated by the members, and voted for by them at the AGM. **Previous winners are not eligible to be nominated again** - the lists of previous winners are as follows:

2000	Maurie Huxley	Evonne Rayson

Where will you be next club day? The country music police are out in force - my spies are everywhere – I've already sprung Marie O'Connell at the footy and Barbara O'Daniel off with the fairies (see previous page). If you're not going to be at the show you'll need to bring a note next time you come! Barbara's excuse was that she was in Port Lincoln, where all the old good fairies go.

Thanks to the efforts of Ian Fisk the club has its own domain name – check us out at www.acmc.org.au - and next time you see Ian give him a pat on the back!

The club has gained a number of new members over the last few months, so if you see an unfamiliar face at club shows, go up and say G'day!
