Hi Folks,

## CLUB NEWS

Well we have had a few pretty cool autumn days and nights and if it's any indication what the winter is going to be like we might need all the woollies we can find.

Anyway we have had some great country music and artists since our last newsletter and we have more to come. The great shows we had with Peter Coad and the Coad Sisters, Bernie & the Bandits and we had the privilege of having the current Bush Ballad Champion, Julie Perandes at our May show. What a beautiful voice Julie has. Her future looks to be pretty bright.

It's also great for the old bush ballads and their future as their lyrics told stories of our pioneers of yesterday and today. I hope the younger generation realise there are still many families living in some of the harshest environments in some of the most isolated areas of this big country. We also had a surprise visit from one of our rising stars, Tiffney Stroh. Just Passin' will be our band for the June show and Dino will certainly get you in the mood for Barmera.

We must welcome back our Vice President, Di and our little battler, Tarlee. It's so good to see how well they both look and how great it is to have them back.

I think the fund raiser for little Georgia was well supported by everyone from The Slovenian Club, all performing artists, A.C.M.C. committee and anyone who contributed in any way. Thanks again.

As the June show approaches so does another country music event - the Barmera C.M. festival so it will be an exciting time for those who plan to attend. I am not quite sure of the line up but there are some programmes around. To those travelling to Barmera or anywhere in general, safe travelling and safe return.

I will be away for the July show but will be back for the A.G.M. in August. There will be a few positions to be filled so I hope anyone interested in nominating please get your forms in and best of luck with your application.

Well I have rambled on enough so I'll sign off until I see you again.

Keep it Safe and Keep it Country. John Turner

## LORRAINE'S ROUND-UP

### April 2006

April we call our Easter Show. It was just that, a large white Rabbit Roger (actually it was more pink than white! *Editor*) appeared at the door with Easter eggs for all. Roger the Rabbit's whiskers looked a little grey. I guess rabbits get older like the rest of us! (after all those years Roger had a go at Lorraine, now she can get her own back! *Editor!*)

**Easter Bunny**

**Peter Coad and the Coad Sisters**

An extra special raffle full of Easter goodies was organised by Evonne Rayson and her jolly workers in the catering department brought in extra funds for the Len Wakefield Memorial Award. Thanks to all who donated or bought tickets.

The day was a happy bright event with Peter Coad and the Coad Sisters, Lynette and Virginia. Lots of new songs were performed, especially by Virginia with her lovely yodelling. Mother Margaret Coad also entertained us on her piano playing those good old cowboy songs to do old style dances. It was a great day, see them same time next year.

Lorraine

### May 2006

Here we are nearly half way through the year. What a lovely May show day we had. We call it our Mother's Day show. We enjoyed a special chicken lunch. Joy Champion made a Mother's Day Cake for the Raffle. Thanks again Joy.

Joy Champion and Evonne Rayson spend nearly all their waking time cooking. Not for me, my scones and cakes make good cricket balls, so I won't help out!

The band Bernie and the Bandits, what can one say, they are just great. It's good to joke around with them and still get quality sound, yes and some good old style dance tunes.

Our special guest was Julie Perandes from Queensland, winner of the Australian Bush Balladeers, what a delight. She had a beautiful clear voice and cute smile. I could have sat and listened to her all day. Slim Dusty and Stan Coster songs sounded great. See her again at Barmera in June at the Festival.

Along also was Tiffney Stroh, this young lady impresses me every time I see her. Her professional attitude and her feel for country music at such a young age is amazing. She sang a duet with Julie after just a two minute practice. Well done, these young ladies will keep country music going forever.

Our next performer was Kevin Merrett. He has been with our club right from the start. It is pleasing to see his progress over the years. Happy Birthday Kevin for next Month, 23 years old, gee time sure goes by. He plays guitar, keyboard, drums and now Judo! Watch out, don't cross his path.

Sonni also sung for us. With her great strong voice she always keeps the dancers moving.

Thanks to all, I hope the Mothers had a good day.

See you at Barmera Country Music Festival.

Lorraine

**Kevin Bergen and Bernie and the Bandits**

**Frank Roberts (Coast FM Pajama Country presenter) and Julie Perandes**

**Mike Holliday** (vocals, lead guitar, Dobro and mandolin) started playing when he was 12 years old with Kevin Sparer and Country sounds touring band playing bass guitar. He has been involved with numerous local bands over the last twenty years playing lead, bass, drums, Dobro, mandolin, and vocalising. ## *The July Show*

## **Wanetta's Country Plus**

Wanetta's Country Plus comprises:

**WANETTA GARNAUT** - Lead Vocals & Harmonies.

From Para Hills, Wanetta began singing with two consecutive, and very popular, bands as a teenager in Canada and performed in concert and on National Television. She moved to Australia and resumed her career in S.A. Her unique vocal inflection is most suited to songs by such artists as Patsy Cline, Loretta Lynn & Hank Williams.

**Peter, Irish Dan, Wanetta, Dave and Trevor**

**DAVE WATTS** Lead Guitar/ Harmony Vocals.

From Templars, Dave has supported many top Artists in England, France and Australia. He has had a long association with, and has a great 'feel' for Country music and is also an excellent lead guitarist encompassing varied styles of music.

**TREVOR DENTON** - Bass Guitar/ Harmony Vocals.

From Lewiston, Trevor has over 20 years experience playing Bass Guitar in Country bands, from backing Talent Quests in S.A. & Tamworth, to working with such names as Beccy Cole & Kym Warner. He has also backed artists such as Craig Giles, Jimmy Little, Brian Letton, Carol Sturtzel, Trev Warner and many more. His Country style of playing adds drive to the Classic Country sound of Wanetta's Country Plus.

**PETER HARTMAN** - Drums/Vocals

From Highbury, Peter is a keen, dedicated drummer who has had many years of experience playing with 60/40, Country & Jazz bands. Peter has backed many well-known artists and although he is predominantly a drummer, he also has a good country voice.

**IRISH DAN** - Rhythm Guitar/Lead Vocals.

Well known and popular on local country/folk scene, Irish Dan was a member of the band a number of years ago and has been back in the current line-up for some time.

As the name suggests, we play much more than country music incorporating some rock, swing, pop and even a touch of western. We are prepared to travel and have performed throughout South Australia and Interstate.

## June Guest Artist

Allan Webster will be our June Guest Artist.

Allan was born in Wallasey, England. He began his musical education on violin but graduated to guitar, playing in his first band at the age of 14. He played the music of the era with a typical Mersey sound, playing at the same venues, namely the Cavern, in Liverpool, as the Beatles, Gerry and the Pacemakers, and the Searchers. Allan emigrated to Australia in 1964, with his parents and 9 siblings.

Soon after his arrival he was once again playing in a band, named the "Road Runners", which were highly influenced by the Mersey Sound also. They were a successful group for many years, eventually breaking away to form other bands, with usually two of the same members being in the band.

Allan has played in many bands over the years, but the last few years have been dedicated to Country Music. Rather a strange beginning for a country music artist. After forming a country band in Mt Gambier with the sole purpose of entering the band section at the Riverland Country Music Festival in Barmera, which they won, Allan was encouraged to enter the Male Vocal section at Mt. Gambier Festival. Taking out first place at this quest entitled him to enter the S.A. Champion of Champions held in Adelaide in July 1999, resulting in him winning this title. This saw the beginning of his country music career with performances at the Queensland Champion of Champions in Brisbane. Other performances over the years include S.A Showcase Adelaide and Tamworth twice. Allan also performs at Festivals in South Australia, Victoria and Tasmania.

This is just a small part of the information on Allan's website! go to :- <http://www.allanwebster.com.au> for the full story!

## July Guest Artists

Mark Tempany and Alison Hams are our July Guest Artists. Below is some recent news of what they have been up to. See their websise for more!

Easter 2006 took Alison and Mark Tempany eastwards to perform at Paul McCloud's Hartwood Campfires & Country Music festival near Tambar Springs, NSW.

Always a popular event, this year's Hartwood saw a record 1200 people camping at the festival - held "in the bush" on Paul's beautiful family property!

Perfect weather (complete with full moon!) meant the event was a real winner and is highly recommended for anyone who loves their country music in a uniquely relaxed setting.

Alison has also just returned from her national support act with UK star, Charlie Landsborough - and a concert at the Adelaide Hilton Hotel with one of Australia's most respected and popular performers, Kate Ceberano!

Along with fellow Aussie performer Mark Tempany, Alison wowed audiences over 5 states with her opening act for Charlie - playing to packed venues which included Crown Casino in Melbourne, Wrest Point Casino in Hobart, Twin Towns Services Club on Queensland's Gold Coast and several major clubs across Sydney.

19 concerts were performed in 23 days on the tour, which Alison and Mark joined direct from Tamworth where their concerts in the Conservatorium Chapel with multiple Golden Guitar-winner Michael Fix were once again a huge success.

Just as exciting was Alison and Mark's opening act for Kate Ceberano at the Adelaide Hilton Hotel on April 6<sup>th</sup>. In front of a packed and elite Ballroom audience, Mark and Alison wowed the crowd with their music and performance - a precursor to their appearance with Kate on her "Moonlight and Magic" concert at Clare Racetrack, SA. "Moonlight and Magic" - which will also feature iconic Australian band "Mental As Anything".

Who was it that came to the County Music Day (May 7<sup>th</sup>) in their Slippers???

It was reported that on a recent Port River cruise that a female committee member may have been confused about her sexuality. She was seen coming out of the Male Toilets!!

Did you hear about the Birthday Girl (June/July) who conducted an interview with the Port Pirie swimming "Mario Lanzo" only to discover later that she had forgotten to press the record button!

It was great to see Joyce Anderson and Nola Trenerry out of hospital and at our May Club day.

## We're Back

# TARLEE

I'd like to thank everyone for your support, well wishes and gifts while Tarlee and I were in Melbourne for her heart and lungs transplant.

It was very comforting to have you all there for us. Tarlee looks and feels fantastic. She has been given the most amazing gift from an amazing family, we are so grateful. It's great to be back, it was fantastic to be at the club on Sunday. I urge you all to consider being an organ donor. It's amazing how many lives you can save by being one.

There are a lot of myths around about the criteria for being a donor. Please ask myself or call the Organ Donor Foundation (1800 777 203) if you have any questions.

Love to you all, Country forever. *Di Smith*

To all at the Adelaide Country Music Club I thank you so much for the cards, flowers, money and phone calls that I received when I was in Melbourne. It was nice to know that so many people care about me like that. I am very grateful that I have a second chance of life. It was a long wait of two and a half years, but I got there in the end.

If you have never thought about being an organ donor, please consider it because I am living proof it is a gift I will personally treasure forever. Thanks you once again to all of you and a very big thank you to Mum and Zac for being my support. You are the **BEST!**

From *Tarlee Schultz*

(Editor Check <http://www.transplant.org.au> for more information on organ transplants.)

## Sing a Song for Georgia

Sing a Song for Georgia Sunday 30<sup>th</sup> April showcased the Love and support of Country Music followers.

Georgia having spent 3 days in hospital was able to make an appearance for a short time. She was happy and giving lots of smiles to the people that donated items for the raffle. Thank you. As usual June Sparks did a fine job getting the items together. Her time in advertising was much appreciated, thanks June.

To the Child care centre where June works, they gave Georgia a big Teddy Bear, bigger than herself. Thanks to them. Thanks also for gifts from people, to Evonne Rayson and her band of helpers for homemade Devonshire afternoon tea. To Maurie Huxley, of Coast FM Radio for being there for Georgia, he alone knows what Georgia is going through. He did the same as a child unable to walk. Maurie gave her father some helpful words of encouragement. Thanks Maurie and of course to his wonderful wife Rosemary. To the Slovenian Club for providing the Hall, to all of the committee a huge thank you for being there for me, especially when things have been real hard at times.

Now to the artists, it would not have been a successful day without such talented people who gave their time and talent, also the support of each other to make the show run smoothly.

The day started with Marie Robinson and Deep River Band who sounded terrific. We will see them again in September. Marie has a lovely voice.

Our ever popular John Turner sang a few songs. Don't forget John now has a CD out. He was a great help with the artists. Another popular committee man, Rob Smith versatile vocalist, who also sings in a choir, entertained

us all.

Don Costa came over from Victoria, he of course is one of the Costa Brothers Act that gave us a fabulous day in February. Apart from being friendly and good looking what else can one say?

The Sherrah family have always been there for me by cards or phone calls over the years. Steven, Tracey, Christine and Michelle and the wonderful children who sang for Georgia. They were Amy, Claire and Kane. Tracey and Kane have the Stewart surname. Anthony was unable to make it.

Thanks to one of my favourite singers, Murray Mac, he is always there when needed.

Another young man always presents himself very well, the one and only Brendan Beleski was also there.

Two people who once again have always been there for me, used to be in the Country Bumpkin Band, Helen Downer and Velda Young a fab duo. Helen is also a wonderful songwriter and wild life supporter.

My niece Heather Thiele Hemingway sang a couple of songs everyone enjoyed. We must get her to sing more

often.

Candy and Tammy Latham, two young people making a large input into country music always at the ready to help young artists in every way, sang for us too.

Dookie Smith played the accordion. Very clever our Dookie, sings, plays keyboard and tap dances, not all at the same time though!

Then along came from Victoria, Chooka Williams. We can't keep all Collingwood supporters out of Adelaide, oh well he sings well!

To every artist who made the day, a Huge Thanks You.

A highlight of the day was the gift of a bicycle with trainer wheels to Georgia from Robert and Sandy McMahon. Georgia with the help of her father holding her, rode it around the dance floor. It brought a tear to everyone's eyes to see her effort to work her legs. It will be good therapy, help for her legs over the long journey back to health.

From Georgia, her daddy, my son Brentyn, mummy Grace and sister Isabella, this is Lorraine Wakefield saying:-

**THANK YOU!**

(There or more pictures on our website.)
