CLUB NEWS from our Vice President

I am writing this message because President Di is having a well earned holiday.

First I would like to wish all members a happy and prosperous New Year and hope that you enjoy the best of health throughout. None of us are getting any younger.

What a great first club day we had, a record crowd and one of the finest group of entertainers I have heard for a long time The Creole CowboyZ played several styles of music and the dance floor was never deserted. I have heard that a few members did not enjoy the day, but you cannot please all the people all the time.

The committee through Lorraine are endeavouring to obtain the best Bands and Artists available through the year. So we can all look forward to enjoyable club days for 2007.

I must mention and thank the committee and helpers for the excellent work they do in setting up the hall on club days.

Special thanks must go to Yvonne, Joy and the band of ladies who do all the food preparation in the Kitchen. And of course we can't forget Fred.

Sometimes we get criticism from members over things that they believe is not quite up to their expectation. There is a suggestion box in the foyer and a note with these complaints would be appreciated to enable the committee to discuss and if needed rectify the matter.

I sign off now, looking forward to see you again in the world of Country Music.

LORRAINE'S ROUND-UP

December 2006 Entertainment Report

Well here we are into 2007. Hope everyone had a happy and safe Xmas.

Our December show had the band Midnight Special, always a great day with Warren Johncock and his Merry Men, an ideal Xmas band. They go out of their way to enjoy the festive season, a good start to Xmas. Warren handed out one or two gifts along the way like Santa.

Special Guest Bob Major brightened up the day with his poems. He has an amazing memory for them and delivers each with great facial expressions and sounds to make each one different and enjoyable. My favourite was the one about the gophers sneaking out of the nursing home.

Our second guest artist, Jeanette Wormald showed us a different side of Country Music, more into the bush ballad style. We should all remember that is how Country Music started with Australian Stories about people in our amazing bush country.

I think at times we get carried away with the American style of music, so it was good to hear some of our own. It's pleasing to know the Bush Balladeers of Australia is going strong through the efforts of Peter Coad and others. Anyone who doesn't understand what country music is about, it's about all styles, that's what our club is about, nurturing all styles, Blue Grass, Rock-A-Billy etc and remember no one knows what's around the corner.

Live and enjoy life to its fullness every day.

Happy New Year

January 2007 Entertainment Report

Here we are at the start of a New Year and **wow**; we sure got off to a good start.

Introducing a new band to the Club the Creole CowboyZ and they gave us a great afternoon of different styles of country music:- layback ballads, bluegrass, hip hop, rockabilly and Cajun. The Cajun really got everyone interested. One couple really had it wrapped up, twisting, turning, winding each other up in each other's arms. It was good to watch the arms and footwork by them.

In the band were six very happy musicians playing guitars, bass, banjo, keyboard, mouth organ, accordion, washboard and bells, button accordion even a didgeridoo. They had the audience interested with their antics with each other.

Looking around the hall I could see people who don't dance, bopping in their seats, clapping hands, having a good time I was. The rest of the committee are happy to have them at our AGM meeting in August, so watch out!

It was also one of the biggest crowds since our first day. Thanks to the BoyZ.

Special mention to Rael and Steve Liley our walk ups for the day. Both did us proud. Sorry I forgot to thank you on the day. See you both next month.

The Feb Show Maryanne & Co.

Maryanne & Co was established in 1992 and decided to focus on country music in 1993. We have played many places and with many various artists. Some of our more prominent gigs have been playing for The South Australian Tourism Awards, The Olympic Torch Ceremony, The year of the Outback Cattle Drive and we have also been support act for people like Lee Kernaghan, Gina Jefferies, Craig Giles, Johnny Mac and Slim Dusty (at one of his last major concerts) as well as working with many prominent others. We go to Tamworth every year and have 'standing' gig at which we play at for the 10 days of the Festival.

We thoroughly enjoy working the South Australian Country Music clubs as we always know that the people attending are there only to hear country music which is our love.

Unfortunately the CD release was delayed due to the sad passing of our much loved and valued rhythm guitar player, Terry Franks.

Terry wrote the 3 original songs that are on our CD.

Through the years, your publicity officer has seen many different people in True Grit. The most recent line up is usually Dave Cross on bass, Shaun Wegener on lead guitar and often Darryl Lee too, Kevin Bergen on Pedal Steel with Simon Wegener on drums. The other John Turner often plays Bass with the band. Drummers seen playing with True Grit include Gary Burrows and Paul Orchard! Mike Festa has also played pedal steel with the group! What will the line up be in March?? Bradley Bergen has also played with the band, but is unlikely to be there in March! We will have to wait and see! (see pictures page 6) Murray's Boss, Dot is never far away either!

Rob Smith

I was born at Peterborough in SA in 1929 and moved to Adelaide in 1935. I attended North Adelaide Primary School, then Adelaide High School in Currie Street where the Remand Centre is now.

I sang in the choir at Christ Church in North Adelaide as a boy soprano, where I became one of the top paid boys (four shillings per month!)

I left school in 1945, just prior to the end of World War II (VP Day), in my 16th year, to work as a Telegraph Messenger at the Adelaide G.P.O. I became a Postal Clerk/Telegraphic using the Morse Code. I was posted to Quorn when the old "Ghan" train used to go through there. From there I worked at Jamestown, Glenelg, Prospect and Walkerville where I finally resigned and took up employment with E.T.S.A.

I married Laurel in 1952 at Christ Church. We have two daughters Jennifer and Amanda. We spent nearly two years at Clare, where I worked with E.T.S.A. at the Mid North Headquarters before returning to Adelaide and eventually becoming a Cashier until retiring in 1992.

Whilst at Clare I joined the CMF (later renamed Army Reserve), serving in that for 27 years. I was a Warrant Officer Class 1 (RSM) for a number of years before compulsory retirement at the age of 55.

I umpired Australian Rules Football for 23 years with the SA National Football League, umpiring in all parts of the state as well as in the city. Then with my wife Laurel, I umpired Women's Netball for over 10 years.

One of the proud moments of my life was to be selected as a Torch Bearer for the 2000 Sydney Olympic Games.

Prior to retiring I decided to audition for musical production "The Desert Song" with the "Marie Clark Singers" and was fortunate enough to get a small part. After that I had parts in "The Merry Widow", "Showboat", "Oklahoma" and "Fiddler On the Roof". In all I have been in eleven musical productions, three times in "Oklahoma" and twice in "Fiddler ON the Roof".

Early in 1991, Laurel and I came along to an A.C.M.C.

show and liked it so much we both became members and have been every since. I did many terms acting as Treasurer while the then Treasurer, Dean Beviss was away on holidays for extended periods. I then had a two year stint as President and after that, nominated for and was elected to the Committee. In 2006 I became the secretary.

Laurel is involved with the tap dancing group called "The Timesteps Tap Dancers". They perform concerts at nursing homes, retirement villages and other charitable functions. I accompany them and comper their shows also singing a solo or two in between their acts when they have to change costumes.

I am currently a member of the "Adelaide Male Voice Choir". We do many concerts throughout the year at many different locations.

If all this is not enough, Laurel and I are both having ballroom dancing lessons and recently received our "Silver Medals". We are now having lessons towards our "Gold Medals".

If you would like some words and pictures in "Country Call" about you, please supply them to the publicity officer like Rob Smith did! It only took me nine months to use Rob's contribution! (Email is best, but hand written words will be accepted too.)

Jan Meeting Pictures

Sorry there are not more pictures of the January show, but your publicity officer was busy elsewhere.

He was windsurfing down the South East on Lake George, just North of Beachport. When not windsurfing he was relaxing.

Creole CowboyZ would like to express their appreciation to all involved in last week's event at Dudley Park – we really enjoyed the opportunity to perform for you and meet so many of the Club Members.

It was fantastic to see such a great crowd dancing to our music and having fun, and we thank you all so much for the return invitation to play for you at your AGM on the 5th August – we really look forward to seeing everyone again.

New Year's Eve at the List Barn

A number of club members spent a very pleasant New Years Eve at the List Country Barn. Members there included Russell and Rhonda Byrne, Fred and Joy Champion and Ian and Pam Fisk. We were entertained by Nathaniel O'Brien and Tracey Rains before 8pm and after by Bryan de Gruchy, Anthony Stewart, Ian List, Pete Figures and Tracy Stewart, John Thornton, Allan Tomkins and last but not least Briana Lee and Travis List.. Steven and Michelle Sherrah manned the sound and light console.

Brianna with a fan

If you missed Briana at the Barn you will be able to catch her at Lake Charlegrark in Feb or Port Pirie in May.

Travis List and his American wife Jessica were here for a visit from his current home in Nashville.

Subject to certain conditions, the purpose of the fund is to assist younger talent with proven ability: a) in entering talent quests throughout Sth Aust, Mildura and Tamworth, b) by payment or part payment of professional tuition, and c) towards the cost of a musical instrument. The fund is administered by the ACMC committee with expenditure limited to the interest from capital invested, with all payments made to the appropriate body and NOT to the awardee. Annually an awardee is chosen at an event deemed suitable by the Full Committee by a judging panel consisting of three suitably qualified ACMC committee members. Contributions to the fund, which may be made to the club treasurer at any time will be acknowledged in the club newsletter.

Friday night entertainment at the Marion RSL

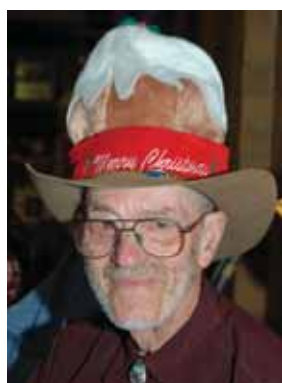

Your publicity officer enquired about the Marion RSL Friday evening Country Music entertainment and received the below response.

“At the club at the moment we are rebuilding and revalidating our entertainment and dining strategies. We are a small club that needs to cover costs and grow for all our members, whilst providing an ongoing entertainment that both suits and is enjoyed by Our members.

Over the final three months of 2006, the patronage at our Friday night meal and entertainment sessions was falling off, making it totally un-profitable.

At present we are investing close to \$45,000.00 in our new kitchen equipment. We have appointed new kitchen staff, to dramatically improve the Friday night meals. We have also appointed extra bar staff, again to improve the overall service and enjoyment at our Friday evening meals times. Once we have rebuilt the clientele at the Friday dining experience we will look at reintroducing live entertainment at the meals on Friday night.

Once we have rebuilt our entertainment strategies, I will advise of all our future entertainment dates, artists and times.”

Many people wore “Christmassy” things at the December meeting, including Myra Smith, Max Crispin, Joy Champion, Santa and Frosty.

Please consider your own safety and the safety of others, and take appropriate care where-ever you are (and especially around the dance floor.)

Our bands and guest artists perform for our enjoyment. Please consider the rights and comfort of others and keep the noise down during performances

The club is run by volunteers who work hard to make our club one to be proud of.
