## CLUB NEWS from our President

Hi Everyone

Happy New Year to all.

Have you made a New Year's resolution for 2009? Or are you like me and just deal with whatever comes each day?

Wow what a show we had for Christmas. Lorraine was elsewhere at a Christmas party with her two beautiful granddaughters and arrived back halfway through the show to take over hosting from yours truly.

Our band for the day was *Midnight Special*, who are always guaranteed to give a great show. We also had our special guest artist Mahalia Fox, who is the SCCM Junior Champion of Champions. We also had various committee members strutting their stuff. They were Rob Smith who sang a beautiful Christmas carol, Lorraine Wakefield who sang and yodelled, Tarlee Schultz was our Christmas angel, Evonne Rayson read a poem with a message (see page 11), Josie Evans and Raelz sang together and yours truly as **Tanme Whynot** sang. (Good fun!) We also had a young new comer in Georgia Hicks. She wooed the audience and showed a lot of potential. Ian (Flasher) Fisk's Christmas hat was a great talking point for the day. (I wonder how many toilet rolls he can fit under it?) Our dear Joy Champion made our Christmas cake and Elaine Marks (who had just turned 90 years young) cut the cake for us.

Now for our January show. We had a great band *Phoenix*. What a nice bunch of people to work with. Everyone loved their music and had a great time. I hosted the show for the day as Lorraine was on a much deserved holiday at Port Hughes. During the day we had a sample of 6 songs from the band called *Top Dead Centre*. They were very good and the crowd enjoyed them.

I had a lovely surprise that day. My dear friend of 40 some odd years, Sharon, turned up at our show. She was down from Brisbane. I don't remember when I last saw her.

Well bye for now. Hope to see you all at our next show. Keep well.

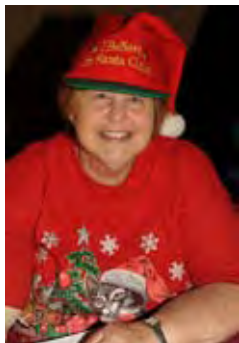

Thank God for Country Music.

## ***LORRAINE'S ROUND-UP December***

In case you can't read the words on Lorraine's hat it says  
"I Believe in Santa Clause"

At our December meeting we had Warren Johncock and his Midnight Special band. As always they put on a great Christmas show. The microphones and stands were draped in tinsel, and Warren appeared in a number of different variations of head gear!

Our special guest artist was Mahalia Fox, the 2008 SACCM Junior Champion of Champions, she clearly showed why she won. She had a busy December, at the SA Stampede, the Kilburn RSL the night before and with our Club!

Some committee members made surprise appearances on the stage! They included our singing Secretary, Rob Smith, Lorraine Wakefield sang and yodelled beautifully, Tarlee Schultz, as an angel showing a big heart (remember she is a heart lung transplant recipient), Tanme Whynot, in

a country music singer outfit, Evonne Rayson read a poem on 'Hugs' (see

page 11), Josie Evans was accompanied in song by Raelz. Raelz also sang a few songs on her own. We also had a young lady, Georgia very ably sang a few Christmas songs, including one with Lorraine. Many of the committee and other members dressed 'Christmassy'. To the relief of many, the flasher did not make an appearance this year. Some people unkindly suggested that his special Christmas hat either looked like a tea pot cosy or a toilet roll cover!

Everyone attending was given a little present. It was a Happy Holiday plastic bag containing a special 2009 ACMC calendar, a circular Club badge, a ACMC sticker and a chocolate. Santa must have made two visits, one before most arrived putting lollies on each table and later in person. He was caught on camera kissing Evonne!

Evonne Rayson gave each of her catering helpers a little present before they posed for a picture.

All were also given a small Xmas pudding plus a tasty piece of Christmas cake made by Joy Champion (thanks Joy). Elaine Marks who recently celebrated her 90<sup>th</sup> birthday, cut the cake.

Our Country Call Newsletter was given to all members at the meeting. Those not picked up on the day were posted the next day. Considerable postage expense was saved and much effort in folding, taping!

We even had an overseas visitor, Marilyn Henderson from Kangaroo Island. Marilyn has a regular country music program on KIX FM 90.7 Monday & Thursday from 7.30 am -9.am.

Another visitor was Whitey (Brian White) an infamous drover. See Rob Smith's words elsewhere in this issue.

*Ian Fisk (Lorraine liked most of the above that appeared in SACCM January Prelude and said to use it!)*

## Whitey

I was pleased to meet up with an old schoolmate from the 1940s, Brian White at our December show. I have known Brian and his brother James (Jimmy) from those way back North Adelaide days.

Brian is still doing Cattle Droving in the Far North, which he has been doing for many years.

In his younger days, after leaving school, Brian was a very capable boxer, so none of us ever thought it a good idea to pick a fight with him, not that he ever invited same.

I often meet up with his brother Jim and keep track of what he is up to.

In fact, I ran into Brian, when he was down late last year and in talking, told him that I was Secretary of Adelaide

## LORRAINE'S ROUND-UP January 2009

Here we are another year starting out with a new band Phoenix. They showed they were very good indeed. I arrived late and was only able to stay a short time. I arrived late from my holiday at Port Hughes. Thanks to Di Smith for compering the show for the day.

I stayed long enough to hear a new band *Top Dead Centre* (actually Lorraine wrote down *Drop Dead Centre*!!!). One of the band members, David Gebert used to play in the *Country Bumpkin* band with Helen Downer. I hope Helen is feeling better after her stay in hospital just before Xmas.

We will have *Top Dead Centre* in October. I hope everyone enjoys these new bands. One of the first ideas that Club had (twenty years ago when we started) was to give everyone a go. Every band has something different to offer, so please don't get too critical. I know we all have favourite bands, but variety is the key to keeping country music going!

Pictured are:-

Bruce, Ken, Maxine, Ted and George of Phoenix and three of the four members of Top Dead Centre:- Greg, Steve and David (more of them in a later issue)

Country Music Club. I told him when our shows are held and where, so presume that's how he came to be there in December.

I do hope that we will see him again, whenever he is down.

Robt Smith

Actually Whitey has been the Kilburn and the Southern Club in recent months, I have also seen him up at shows at Blyth. (he was MC at the Kazu brothers show) try Googling 'Whitey Drover' Ian Fisk

## Maurie Huxley awarded a OBE (Over Bloody Eighty)

Although he was not eighty until Jan 26<sup>th</sup>, Maurie celebrated his birthday with many friends on January 18<sup>th</sup> at the Southern Districts Workingmen's Club, Morphett Vale.

After a very nice lunch all were entertained by Midnight Special and also walk-ups Lorraine Wakefield, Rosemary, Judith Waugh and Wayne Roberts plus speeches by family and friends..

## Black and White Cows

Many may know that Lorraine Wakefield has a thing about black and white cows.

She loved this T-shirt worn by one of our members at our January show.

## February Show - Trev Warner and Country Junction

Country Junction band is led by our patron Trev Warner. The other members are John Bridgland (guitar), Carl Pink (bass guitar) and Mark Meyer (percussion). Trev and John are also members of the Bluegrass Junction Band. Mark is well known throughout Australia through country

### Trev Warner

Trev Warner is one of Australia's foremost Bluegrass and Country musicians. With a career spanning three decades, his achievements are numerous. Highlights include a 1979 CMAA Gold Guitar for 'Best Instrumental' ("Fiddle in the Gorge") 1997 SAMIA Award for 'Best Country Album' ("High Rollin' Bluegrass") 1998 CMAA Nomination for 'Best Instrumental' ("Mando on the Mainland") 2001 CMAA Nomination for 'Best Instrumental' (Lightning Ridge) 2003 TIARA Award for 'Best Instrumental' (Chime Time) 2003 CMAA Nomination for 'Best Instrumental' (Chime Time) 2004 CMAA Gold Guitar for Best Instrumental (Peel Street Pickin) and three National Banjo titles.

Trev is renowned for his dynamic live shows. His remarkable talents on banjo, fiddle, guitar and mandolin combine with a crazy energy creating an exciting mix of spontaneity and fun with music that is highly entertaining.

Trev's many years of performing include TV, Radio and Festival appearances, and he has toured as support for Willie Nelson, The Bellamy Brothers, and shared the stage with Slim Dusty, The Dead Ringer Band, Bill & Audrey Lee Kernaghan, Beccy Cole, Kasey Chambers, Paul Kelly Anne Kirkpatrick, The Greencards, Adam Brand, Karen

and contemporary music, having played in bands with Lee Kernaghan, Beccy Cole, and many of Australia's top country acts. Carl, who is an excellent vocalist and guitar player, together with Trev and Mark are members of the band Kilkenny.

Lynne, The Davidson Brothers, Tania Kernaghan, Sara Storer and Melinda Schnieder.

Trev's recording career is also extensive including the 1997 award winning release *High Rollin Bluegrass* with his son Kym Warner. Trev's CD *Old Memories* combines his love of bluegrass and country music. The CD *Instrumental in Bluegrass* features a fine selection of original, traditional and standard tunes. The CD *Walkin' a Fine Line* is a collection of refreshing, all acoustic Bluegrass and Country Music and includes special guests Beccy Cole, Kasey Chambers, Bill Chambers, Stuart French and Carole Sturtzel, and features his Gold Guitar winning track *Peel Street Pickin*. His current release *Old Country Home* is a cameo of Trev's life growing up in a small country town on the Murray River, and reflects his early influences through radio and his family. Joining him on this album are The Greencards, Jedd Hughes, Anne Kirkpatrick, Stuart French and Darren Mullan.

*Blue Mountain Home* – by the Davidson Brothers and Trev Warner was nominated for the Country Music Awards in Tamworth in 2009 in the Vocal Collaboration of the Year section.

## March Show - Bill Bedford and Country Roundup

Bill is one of SA's most noted Balladeers. He has spent many years working on the Country Music scene and had the very popular Country Roundup Band. Bill has appeared at most Country Music Clubs and Venues in the past and is still kept busy as a Solo Artist.

Bill was inducted into the Riverland Country Music Hall of Fame in 2003.

Bill and his daughter Kylie (who sadly passed away in December 2001) performed across the country from Oodnadatta to Charleville and to both Metropolitan and Country audiences. They performed at both Barmera and Tamworth Festivals each year.

Country Music Pioneers such as Buddy Williams, Slim Dusty and Stan Coster have been a major influence on Bill and the high standards set by these great artists are reflected in Bill's performances.

### Adrian John (Chubby) May

I am told that he was born in Adelaide in 1936, grew up in Palmer and attended school locally. Eventually Adrian fathered eight children, who gave him twenty one grandchildren and then five great grand children.

Over the years worked in various fields. In 1955 served with the National Service until 1963. After that was involved as a trainer with the Norwood and Mannum Football Clubs and became an ardent one-eyed supporter of the Crows team.

Sometime in 1966, when working at the same venue, a friendship grew and although we eventually took different paths and lost touch, I always remembered him fondly as a gentleman and very nice person. It was so lovely to renew that contact in 2000. Yes, it was a chance meeting at a country music function!

Dancing was something to be enjoyed and he socialised regularly at various venues. Adrian served some time as Vice President with the Adelaide Country Music Club and sought every opportunity to promote both Club and country music in general. I made some personal business cards,

However Bill included music by great Australian and overseas artists including Anne Kirkpatrick, Johnny Cash, Don Williams, Judds, Tanya Tucker, Norma Murphy and Merle Haggard to name a few.

Bill and Colleen (who so ably takes care of the sound system) will continue to entertain audiences with their genuine approach to what they do.

The line up for Country Round up depends on the availability of artists. Barry Vallen often plays lead guitar in the band and Bill McMahon often plays drums.

(it beat writing details on scraps of paper), and he would hand them out to interested persons – any way to get folk to attend his beloved Club. The enthusiasm was infectious.

At one stage we travelled together to Barmera for a few days. I competed in a Country Music Competition. He was a delightful companion and we shared heaps of laughs.

Several years ago he and Lynne met. They decided to buy a caravan and travel Australia. Adrian loved every minute of it. Both spent the last seventeen months residing in Iron Knob. He was close to family there and I'm sure that was of great comfort.

All that I can now say is ... Adrian my friend, you will be missed!

### Vale Ernest Orel

The Adelaide Country Music Club is deeply saddened at the passing of a very respected and well liked man.

Ernie, as he was affectionally known, was well remembered as President of the Slovenian Club for a number of years. He was a very approachable charming man, nothing was ever too much trouble for him.

He was always writing to discuss any matters which were brought to his attention by our Club.

Our condolences to his wife Olga and sons Mark and Peter.

## HUGS

There's something in a simple hug  
That always warms the heart.  
It welcomes us back home,  
And makes it easier to part.  
A hug's the way to share the joy  
and sorrow we go through.  
Or just the way for friends to say,  
"I like you cause you're you."  
Hugs are meant for everyone  
For whom we really care.  
From Grandma to your neighbour  
Or a cuddly teddy bear.

A hug is an amazing thing,  
It's just the perfect way  
To show the love we are feeling,  
But can't find words to say.  
It's funny how a simple hug  
Makes everyone feel good  
In every place and language  
It's always understood.  
And hugs don't need equipment,  
Special batteries or parts.  
Just open up your arms  
And open up your heart.

You are reminded that our shows are on licensed premises, and you are **NOT** permitted to BYO grog/softies to the shows.

Please consider your own safety and the safety of others, and take appropriate care wherever you are (and especially around the dance floor).

Our bands and guest artists perform for our enjoyment. Please consider the rights and comfort of others and keep the noise down during performances.

The Club is run by volunteers who work hard to make our Club one to be proud of. Give them your support.
