## CLUB NEWS from our President

Hi Everyone,

First of all I'd like to send condolences to the victims of the bush fires in Victoria, their families and friends on behalf of our club. We (our club) donated \$1,000.00 to the bush fire appeal and I urge all other country music associations and clubs to do likewise. Remember we're all one big family in country music.

Next we (committee) decided we'd get in early and remind everyone that we will need a new secretary next A.G.M. (August) as our Dear Rob Smith will be retiring from club duties. Rob has worn many hats as a committee member and we will be very sad to lose him from the committee. Please also keep in mind that we will need other positions filled on the committee. Your new ideas and input as a committee member are very valuable in keeping our club running. Being on the committee is not as hard as you might think (especially as we all work together to make the load lighter). We meet once a month at Lorraine's home.

It's great to hear of another couple of new bands starting up in country. Even our own Raelz from our committee has joined a new band called 'Kindred Spirit'. Keep a lookout for them.

Well bye for now.

Thank God for Country.

Di Smith (President)

Remember

'Be generous and you will be prosperous. Help others and you will be helped.'

## LORRAINE'S ROUND-UP February

In February we celebrated 20 years. It's hard to believe how time passes us by. Along the way we have lost a few of our members and friends to the great Cowboy Heaven, but every month we gain new people, which is very pleasing.

Over the years we have seen young people in talent quests now surging forward as regular performers, some with their own bands, some even regarded as top performers interstate and some supporting well known artists on their CDs. We as a club hope in some way we have helped them. You, our audience on club days, I'm sure have helped them.

Our band for the day, Trev Warner and Country Junction was amazing. Trev a golden guitar winner in Tamworth over the years still gets nominations, which is great for all of us in South Australia.

We had wonderful sets of country music. The dancers really enjoyed it and I guess others enjoyed sitting back and listening.

This year I would like to feature different styles of dance. February being our birthday, it was a great day to showcase a couple of high kicking girls, Dookie and Laurel Smith. Wow – tap tap tap and wonderful colourful costumes, well done girls.

We'll see you next month.

## LORRAINE'S ROUND-UP March

Hi there...

Thank goodness the weather has become cooler. I couldn't take it much longer!

Well our band of the month was Bill Bedford and Country Roundup. It was a great pleasure to have Bill back at our club. He was one of the bands to support us when we first started at the Canine Club in Kilburn. He hasn't lost any of the sound we want to hear as a Bush Balladeer. Thanks Bill and band. I think the dancers enjoyed the old style numbers. The line dancers also enjoyed the band. Bill's little granddaughter, Ashlee sang a song with him. Merrilyn Jaensch also joined Bill and the band for a number of songs.

Bill has a CD coming out soon. It is a tribute to his daughter Kylie who was a member of his band. Sadly she passed away seven years ago. Several of her songs are on the CD. There will be 18 songs in all. For information about the CD please see me at the Club or catch Bill at a gig.

A great day was had by all.

Bye for now

Lorraine

## April show - Midnight Mountain Blue

We were going to have Maryanne & Co in April, but unfortunately the band split up. Our hardworking dedicated entertainment officer was able to arrange for Midnight Mountain Blue to entertain us instead!

Tricia Wilson has had a passion for singing country music since the age of 12 and began her professional singing career at the tender age of 15. In 1983 Tricia won the SA Great Country Music Awards and as a result, went to Tamworth to represent South Australia in the Australasian Country Music Titles. Tricia achieved a very creditable 'runner up' in the Best Female Vocalist competition.

Since this time Tricia has appeared throughout Australia and travelled extensively interstate. She has appeared with many well known country music identities such as Jimmy Little, Ted Egan, Reg Lindsay, Craig Giles, Felicity, The Beggs Brothers and Barry Thornton, her most exciting

Barry, Darrell, Trish, Bob Charman, Leon and Bob List at our club in 2007

achievement was the opening act for the Rock Trio Cotton, Burns and Morris at Adelaide Festival Theatre in 2001.

In 1998 Tricia's most creditable recognition was being the featured artist on ABC Radio's Friday Night Live in Concert across Australia. In 2001 Tricia appeared on Channel 7's AM Adelaide and with the overall response

was asked back several occasions.

Tricia has built up a considerable personal following, earning a reputation as the ‘Little Lady with the Big Voice’, and once you hear her sing you will be left in no doubt as to why.

Midnight Mountain Blue have been playing together for 18 years and have appeared with Tricia throughout this period. The band has earned a reputation for outstanding musicianship and has won awards in its own right including ‘Best Band Award’ at the ‘SA Great’ Country Music Festival.

Tricia and Midnight Mountain Blue have headlined many country music festivals throughout SA, NT and NSW.

## May Show - Heartland

Please refer to the the 2008 June/July Country Call for details on Heartland.

There will be one change though, the drummer will be Dave Schache’s son Danny.

Right:- Vince Wegener, Dave Schache, Darryl Eckert and Kevin Bergen

## June Show - City Cowboys

The City Cowboys is a good time four piece country band. The band is made up of drums, guitar, bass, piano and harmonica.

The Band members are:- Jay Lindblom:- Bass guitar, Rolf Christian:- drums, Joe Griffa:- guitar, also plays piano,

## Wayne Nuku - April guest artist.

Wayne was born in New Zealand. As well as singing he has been involved with Rugby League, softball and martial arts and body building.

In recent years he has been performing as a duo up with Scott Dann.

Their most recent achievement was being chosen to support Lee Kernaghan on his ‘Australian Pass The Hat around’ tour.

With a variety of music spanning Country Classics, Country Rock and good old Rock and Roll, the band know they have a song for every taste in music.

In 2006 Trish Wilson was inducted into the South Australian Country Music Hall of Fame at Barmera.

Midnight Mountain Blue are:

Barry Wilson	Drums
Bob List	Steel Guitar
Bob Charman	Bass Guitar and Vocals
Leon Hall	Vocals and Rhythm Guitar
Darrell Thompson	Lead Guitar

trumpet and drums and Peter Symons :- vocals, electric piano and harmonica. More details in the next newsletter or if you can’t wait until then look at their page on the SACCM web site. Hopefully a band picture will be available by then too!

This year and last they performed together in many venues in South Australia. There is a full profile on his SACCM page.

See advertisement on page 8.

## Wombat

Members may have notice Wombat in his wheelchair at our Club meetings. I like many others was curious about why he had such an unusual name, so one day I asked him and his mother Betty.

Over twenty five years ago he worked as a clown in NSW. His clown name was ‘Wombat’. Tragically twenty five years ago he and a fellow clown were knocked down by a hit and run driver. His friend was killed. Wombat survived but spent three months in a coma and has been in a wheelchair since. Two years later the driver, a nurse was found in England but got off scott free. She never even said “sorry”.

Some may have noticed that he buys quite a few of our cakes. He does not eat them himself but generously gives them to his carers!

Do say hello to Wombat at our meetings.

Ian Fisk

At the last meeting a member related on an embarrassing situation. She had received a phone call from the Police regarding report that someone driving her car and recently left a service station without paying for their petrol. You are reminded that our shows are on licensed premises, and you are **NOT** permitted to BYO grog/softies to the shows.

Please consider your own safety and the safety of others, and take appropriate care wherever you are (and especially around the dance floor).

Our bands and guest artists perform for our enjoyment. Please consider the rights and comfort of others and keep the noise down during performances.

The Club is run by volunteers who work hard to make our Club one to be proud of. Give them your support.
