President's Report

Hi Everybody,

Well, winter's nearly here – oh, how I love winter! There's been some gorgeous autumn weather and it's been pleasurable to be out and about on such nice days. When the much colder season arrives, please remember to bring along your winter woollies to our functions. The air conditioner is turned on; usually after the dancers have been on the floor a while and you might really feel the cold. That way, everyone is comfortable.

Don't forget also our Annual General Meeting in August. Nomination forms are now available on Club days. Please consider being on the Committee as it is really worthwhile. We need fresh ideas and good workers. Remember it's your Club and if you want it to keep on running, then it would be a good idea to consider such a move.

On that note I'd like to heartily thank everyone who helps set up for shows, assists in kitchen and the ones who stay behind to help clean up. We so very much appreciate your input!

There have been illnesses with both Committee and Club members. Not good - I pray you all recover quickly.

By the time you read this, Mothers' Day will have come and gone. I'm hoping you all had a nice time.

That's it for now. Thank God for country music!

Di Smith, Faith is courage; it is creative whilst despair is always destructive.....

LORRAINE'S ROUND-UP - April 2010

Well here we are nearly halfway through the year. It's been busy with Easter, Australia Day, Anzac Day, Mothers Day and Festivals but it's been great for our club with very good attendances. Thanks to all for your support.

Our April band, Country Mile with the lovely voice of Sonni Francis was wonderful. The dance floor was overflowing all day.

Walk up for the day, Linda Miller Booth, nice to see Linda again after her break from performing, an American girl loving Australia. Her friend Phil Lovegrove entertained with his vocals, guitar and didgeridoo. Ken Hughes also performed playing piano accordion, harmonica and singing. What a fine entertainer all round. It was a very good day for all.

LORRAINE'S ROUND-UP - May 2010

The band of the month, for the first time at the club, was Tracey Rains and Claypan. Wow what a fabulous voice, Tracey you were great. Her father sang for us as did her friend Darren Smith with his Johnny Cash songs and of course her brother Nathaniel. We gave Nathaniel the Len Wakefield Memorial Award in 2005 when he was under nine years old. Now fourteen with a voice change, but very good indeed. The gospel songs in the last part of the day were sheer magic. Thanks to all.

Our special guest for the day, Mellisa Preusker and her friend Chris Ferguson did a lovely bracket of songs, some written by Mellisa and of course the lovely Mocking Bird Yodel at the end was wow.

Thanks to Russell and Rhonda Byrne for taking me to the Murray Bridge Country Music Club where I was able to meet up with Dave Williams from Dave's Place at Wellington. A wonderful man who does a lot for the Flying Doctor Service holding shows at his place. Johnnie

Lovett was at Murray Bridge, so it was a very special time to have him at our Club. Our members and friends really enjoyed his songs. Time runs out very quickly, but hope to see Johnnie again soon.

On the night of the Murray Bridge Club show Russell ended up in Hospital for a week with a suspected heart attack. As I write this a few weeks after our show day, he is still on the sick list. We all wish him well.

Also on the sick list was Chooka Williams. He was in Mildura hospital with pneumonia. Get well soon Chooka. Robert McMahon had the new flu injection and had a bad reaction for five days, but he is okay now. Can't keep him down for long.

We were short staffed, thanks to all that helped us on the day.

See you all at the Brian Letton show

June Show - Brian Letton with Cactus Martens

Born in Port Lincoln South Australia, BRIAN LETTON was raised on his parent's new land farming property, North East of Ravensthorpe in Western Australia. Brian considers that his upbringing in this, often harsh rural environment, taught him to appreciate the "true values of life". After leaving school, he worked on the land for several years before moving to Katanning - 300 kilometers South East of Perth. Over the next few years Brian worked at several jobs, including builder, welder, truck driver, farrier, horse breaker and trainer, with the latter bringing him noted success in the harness racing industry, both as a trainer and a reins person. Brian was an exceptional sportsman, excelling at AFL (Australian Rules Football) and his keen interest in the sport remains today.

In 1989, Brian began his professional career as a full time entertainer, after a decade working as a part time musician with various local bands.

A succession of highly acclaimed awards were instrumental in Brian making the decision to move into the music industry full time.

Brian writes and sings of his country and his fellow man with a rare feeling. He writes of the things he knows, understands, loves and believes in. His songs have won him Australian and International acclaim. He has had a succession of top 10 radio hits and his first ever nomination for the prestigious "Country Music Awards of Australia" for which the coveted Gold Guitar is the trophy rewarded Brian with making the "final five" in the "Best New Talent" category, in 1991. Over the ensuing years, Brian has been a finalist in these awards on no less than 14 occasions.

During 2003, Brian fulfilled a career long ambition to record with full orchestral backing under the guidance of the legendary maestro Tommy Tycho.

To date, Brian has released 18 albums with long time friend and producer, LINDSAY BUTLER for one of Australia's leading independent recording labels, LBS MUSIC. Late 2005 saw Brian add to his impressive recording history, with the release of his milestone 18th album titled, "TIMELESS".

Since those early inspirational years on the family farm, Brian has certainly cemented his position as one of the premier entertainers in the Australian Music Industry, his professional career now spans more than 20 years. Combining his annual non-stop touring, legions of fans and long lasting successful recording history, Brian has accumulated many of Australia's most prestigious music awards and accolades.

Possibly the best description of BRIAN LETTON and his music is "passionate". Brian stands tall as a shining example of the success that is possible. He is totally committed to his music, his songwriting, recording and most importantly his supporters. His commitment remains unwavering and the future holds much more in store for this extremely talented performer.

Words from Brian's website.

In 1991 he won the male vocal section at Alice Springs Australia Country Music Awards.

He tours extensively with Brian Letton.

The Country Roundup line up varies depending on which other artists are available.

For our July show he will have Daryl Lee's 'Fully Loaded' members, ie Daryl, Kelly Watson and Marc Reyers.

The Annual General Meeting

The AGM will precede the normal club day at 11.00 am on Sunday 1st August 2010

Members are advised that motions for discussion on the agenda at the AGM, should be lodged with the secretary not later than 21 days prior to the AGM. Please note that no motions can be taken from the floor.

The elections will be held to fill the following positions :- **Vice President, Treasurer, Entertainment Officer, Publicity Officer, Secretary** and **three (3)** general committee positions. A nomination form is included with this newsletter.

The Club Awards:-

The recipient of the Industry Award is chosen by the committee, from nominations submitted by the members.

The recipient of the Merit Award is chosen by the members at the AGM, from nominations submitted earlier by the members. A nomination form is included with this newsletter.

Past recipients of the awards (listed on the back of the included forms) are not eligible to be nominated for the same award again.

Lameroo Country Music Festival

On Saturday May 1st everyone was thoroughly entertained by an impressive selection of some of Australia's finest entertainers. Craig Giles, Graeme Hugo, Rick Bartlett, David Croser, Helen Croser, Allan Carroll, Luke Fritsch, The Texettes, Kristal Collins, Heartland and Wildcard all gave first class performances.

The venue at the Lameroo Memorial Hall/Lameroo Cinema was great. It easily catered for the over 400 country music enthusiasts. The main hall had tiered seats at the back, an enormous dance floor with more seating and large stage for the bands and performers. There was also a supper room for serving food and a stage with more entertainment.

There was also some entertainment on Sunday a 'Farewell Breakfast, but I missed that so that I could be at our Adelaide Club on May 2nd.

Kapunda Country Music for Cancer

Unfortunately this event was only attended by less than 100 paying entrants. In some ways the day was just as enjoyable as Lameroo. It was certainly less hectic.

The proposed program included Angela Easson, The Texettes, Phoenix, City Cowboys, Taylor Pfeiffer, Mell Preusker, Amber Joy Poulton, David Pearce, Dave Croser, Helen Croser, Allan Webster, Rodney Noll, and Jim Giles. Unfortunately due to a painful back, Amber was unable to be there. Sadly one of the organizers,

Jeff Rattew passed away earlier this year. He will be sadly missed.

Norfolk Island Country Music Festival

There were a number of South Australians over on Norfolk Island for the Festival including Ian and Ann-Marie Holt, Kristal Collins, Angela Easson, the Kennedys from Gawler, Gaye and friend and a couple from Hove plus Pam and I. The best part of the week was when our own Angela Easson won the 2010 Trans Tasman Entertainer of the Year competition. There were four other Australian entrants and four New Zealand ones.

Angela Easson with her Trans Tasman Entertainer of the Year award

Others there included:-

Australians - Jim Haynes, Catherine Britt, Lee Britton and Mark Carr and many talented New Zealand artists (the best being X Canadian Tami Neilson!).

There was plenty of time to have a look around at the historic island to study its history and look at its wonderful scenery. Believe it or not I took lots of photos. Have a look at www.ianfisk.org to see some of them!

Condolences to their families and friends.

Helen Downer's loss

As mentioned in the last Country Call Helen Downer lost her daughter. Lorraine Wakefield sent in the words below which should have been in it.

With Deepest Sympathy

Jodie Cocks passed away Feb 21 2010 aged 40 years. Jodie was a bright happy young lady who enjoyed life to its fullness, loved music, animals, singing and always had a smile on her face.

In the early part of our club we saw a lot of her with her young son Edward. He was real cute going on stage with his little guitar with his grandmother.

His grandmother, Helen Downer, had a band named Country Bumpkin. In the band were Helen – lead guitar, Valda Young on bass, David Gebert on drums and John Curtis on pedal steel – a great sound.

The last few years have seen Helen battle quite a few medical problems that caused her to disband the band. She has a fighting spirit and I know she will survive.

Helen also has a passion for wild animals and for years saved many Koalas, Kangaroos and possums etc at her home.

I believe country music will be a comfort to her at this sad time as we in country music are like one big family

Love and support from the Adelaide Country Music Club.

Helen recently sent the below thank you card to Lorraine.

“To the Adelaide Country Music Club

Edward and I would like to thank all our friends in country music for the enormous support we have had and are still having.

Jodie was loved by many and will live in our hearts forever.

Our love and thanks,

Helen and Edward”

Help

Please try and keep crumbs and rubbish off the floor. At the end of the day Committee members vacuum the floor. Less crumbs less work! Thanks!

Please also put your rubbish in the bins, return bottles and glasses to the bar and cup holders to their container. Again this will save your Committee having to do these chores.

Thanks to all for helping the Committee with setting up the venue at the start and clearing and cleaning up at the end of the day.
