President's Report

Hi Everyone,

Hope you're all well. We have some good news. Russell and Rhonda went to the Barmera Country Music Festival. Whilst there, they had the pleasure of choosing a recipient for the Len Wakefield Memorial trophy. The winner is a beautiful ten year old girl named Shayanne Johnson who is from Renmark. We were fortunate to have her as one of our guests at our July show at which the trophy was presented. She sang one song. Thanks to everyone for being so quiet while she sang.

Our A.G.M. is coming up in August. Please think seriously about being on the Committee and make a difference in your Club.

Our next show features Charlie McCracken and band plus Melody Feder - promises to be a great one.

I'll leave you with that. Bye for now, stay well and keep warm.

Thank God for country music.

Di Smith

LORRAINE'S ROUND-UP - June 2011

Hi there, it seems to me this year has flown along quickly!

June was a great show with the ever popular entertainer Brian Letton. I must admit he has always been my number one next to Troy Caser-Daly. Brian has about 12 CDs now. They are all very good, from bush ballads to Gospel.

Brian had Cactus Martens who lives in Port Pirie with him. Cactus still sings a great song. They are very good together.

Brian's father was on the sick list, so wasn't able to come along, neither was his son, but the show was still excellent. All had a good time.

LORRAINE'S ROUND-UP - July 2011

July was another very good day with the City Cowboys. They had one new member in the band, Doc Sheedy on bass guitar.

They have great sound going. I always look at the faces of the audience and if everyone is smiling and laughing the day is good.

Special guest for the day Billy Dee, sang a very good selection of songs. I loved his Neil Diamond songs. Once again a very good entertainer. He has as regular gig at the Naval Association, Quebec Street, Port Adelaide worthwhile going along on the 3rd Sunday every month.

We had the pleasure of having our 20th winner of the Len Wakefield Memorial Fund, Shayanne Johnson from Renmark. She is only ten but has a great future if she sticks with it.

Her mother Stacey sent a few words. They are on page ten. Thank you Stacey.

August Show:- Charlie McCracken and band.

Born in Western Australia, Charlie grew up in the wheat belt towns of York and Northam in the Avon Valley district of Western Australia. Although he began singing at an early age, his professional Country Music career began in the early 1980's when Charlie won the Overall Pro-am section of the Esperance Country Music Festival in 1983. He then formed the band Kentucky, playing all around W.A. for many years.

Charlie moved to South Australia in the late eighties to sing for the band Both Barrels which lasted many years, including recording an album in the early nineties.

Charlie now performs all around Australia. In 2004, Charlie proudly accepted an invitation to be inducted into the South Australian Country Music Hall Of Fame in Barmera, South Australia.

Charlie has been a member of the South Australian Council for Country Music committee. He was editor of the Prelude magazine and also organized a number of Hank Williams Birthday Parties in the early 2000s. (stop press:- he has

re-joined the committee as Special Events Officer and will be organizing a Hank Williams Birthday Party soon) Money from these shows helped send promising young artists to the Camerata College in Tamworth. He has been a regular artist at most of the 12 Country Cancer concerts at Mount Gambier as well as many other benefit shows such as those at Dave Williams at Wellington.

Charlie is a qualified audio engineer with a Diploma of Music Industry (Technical Production) and operates CBM Recording Studios & Services in O'Sullivan Beach, South Australia where he lives with his partner, Jill.

In 2009, Charlie hosted a tour to Tamworth from South Australia with Harris Coaches.

Charlie has produced an independent CD 'this is Charlie McCracken'. It is available directly from Allingtons Outpost or by order at record stores. There should be some available at our August show!

Anthony, Mike, Paul, Simon and Jay

He has gathered a skilled group of musicians to form a band that has performed at a number of clubs in SA recently.

They include Anthony Stewart on lead guitar, Mike Festa on pedal steel and guitar, Paul Orchard on drums, Simon Ranger on bass guitar and Jay Tobin on keyboard.

August guest artist Melody Feder

See our June-July Country Call for information on Melody. Since then she has attended the Country Music Association of Australia Australian Academy of Country Music in Tamworth. From her comments and photos on her facebook site she had a wonderful time there!

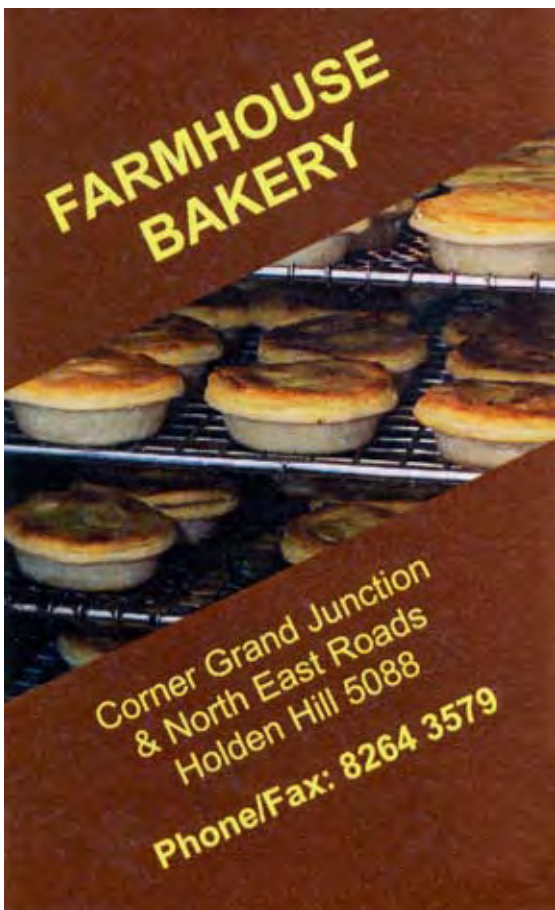

She has a CD 'Dirt Roads and Diamonds' which is available from www.wjodistribution.com. There should be some available at our August meeting. The local radio stations have been playing various tracks from it. They have also been played on the ABC's Saturday Night Country Program.

A very sexist story was circulating around at our July show.

"Women are Angels.

And when someone breaks our wings, we simply continue to fly.. usually on a broomstick. We are flexible like that."

Sick List.

Christine Sharrah had been in hospital for some time and in rehabilitation. She has been home for a few weeks, slowly improving.

Frankie Baker's situation is improving. He was at the Repat Hospital in their rehabilitation area from early July but out mid July.

Betty Thiele, Port Hughes walked into a wall and ended up with a black eye! She thought the glass was an open door. It's easy to think so! Hope you're well now. Husband Bill collapsed and had to be flown to Adelaide by the Flying Doctor. He had a heart operation and is now doing well at home. (from Lorraine)

Lorna Jackson is not having a good year health wise. She was so ill in June she did not come and see her favourite artist Brian Letton. One of her shoulders has been very painful and needs attention one of her hands will also soon undergo surgery. Get well soon Lorna.

Best wishes to the above and all others not well.

If your photo has not appeared here this or earlier months it's maybe because your birthday is not known to the Publicity Officer, he hasn't found you at a meeting or you haven't advised him your birthday is coming up! You can even send in your own photo

It was wonderful to see Maxine Burman at our July show. With Robert's loving care she is carrying on as well as possible. We are all thinking of you Maxine.

Thanks Pam Fisk and Raelz for proof reading Country Call and to Russell and Rhonda who helped in folding, taping and posting it.
Thanks also to all the contributors to this issue.

Taylor Pfeiffer

Eleven year old new Adelaide CMC member, Taylor Pfeiffer has just returned from The CMAA Australian Academy of Country Music – Junior Course (previously known as Camerata) in Tamworth.

Taylor, the youngest to Graduate from the 2011 Academy, was sponsored by The Australian Bush Balladeers Association. Taylor's tutor for the seven day course was award winning singer/songwriter Amber Lawrence. The Junior Course Master Classes covered songwriting, theory, performance, recording and ran daily from 9am to 10pm, by Felicity Urquhart, Tamara Stewart, Lyn Bowtell,

Simon Johnson and Sean Rudd. Taylor even had individual "banjo" workshops that were specially designed for her by her tutor in Tamworth, Mark Moulynox.

After graduating from the Academy, Taylor was invited to perform as part of the "Hats off to country". Taylor was so honoured to perform at the official unveiling of the "Shirley Thoms Bronze Bust", Australia's First Female Pioneer of Country Music, at Bicentennial Park Tamworth.

Taylor was the only artist to perform at the Official Opening and was thrilled to yodel and play her banjo to one of Shirley's most famous songs, "Where the Golden Wattle Blooms". *from her mother Brenda*

Words were from the her page on the Australian Bush Balladeers Association website.

September Show guest artist Angela Easson

Please check your August/September 2010 Country Call and the following issue for information and photos of Angela. Since then she has been a busy girl. She married and has had a daughter (Chloe Grace on May 13th). Her debut EP was released in July and is set to release her first single later this year. I am sure it will be available at our September show. Because of the timing of her daughter birth, she was unable to travel back to Norfolk Island in May, but may go next year?

Her EP is available for \$15. Also available from her website are posters and stubby holders. All these products will be available at our September show. Check her website <http://www.angelaeasson.com>

A note of Appreciation

The Committee Members of the APMC all work hard to make the day for all members and visitors to enjoy. The non-committee but passionate members that help, starting at 9.00am to set up tables with tablecloths and chairs, urns and lots of other chores before doors open are Rob and Laurel Smith, Robert McMahon and Sandy Shaw, Ron

and Gail Crispin and always last to leave from 5.30pm plus, with a very special mention to long-time member of approximately 22 years, Warren Myers. To all other member helpers, many hands make light work.

Email (believe it or not!) from Rhonda Byrne

Vale Tom Kruse

As many have probably heard, at the age of 96 years, Tom Kruse passed away on June 30. He was often seen at Country Music events in SA. I have photos of him from the 2005 at the Hilton Hotel, Mile End, at the Gawler Country Music Club, Adelaide Country Music Club and Southern Country Music Club. His daughter, Helen Hamp was a wonderful support for Tom for many years. There was a very large attendance (at least 1,000) at his funeral at the Allan Scott Park Morphettville race course. As well as politicians (who fortunately had nothing to say on the stage) a lot of Country Music supporters were there. Family members made a number of interesting speeches. He certainly was

a wonderful man who touched many lives. Rest in peace Tom. Google his name and you will find a lot of information on his life.

Right:- Helen and Tom at the SCMC

The Annual General Meeting

The AGM will precede the normal club day at 11.00 am on Sunday 7th August 2011

Members are advised that motions for discussion on the agenda at the AGM, should have been lodged with the secretary not later than 21 days prior to the AGM. Please note that no motions can be taken from the floor.

The elections will be held to fill the following positions :- **President, Secretary, Publicity Officer and four (4) general committee positions.**

There has been some uncertainty about what positions needed filling. Our constitution does not list a Membership Officer, that position is filled by one of the general committee. Although the Publicity Officer was 'elected' last year the position is not vacant until this year, so it is to be filled this year. This will put positions in step with our constitution. There was also some question of the status of current committee members nominating for a different position. A special meeting was held and it was decided that our constitution indicated that their old position would only be declared vacant if the person was successful in being elected to the new position.

The Club Awards:-

The recipient of the Industry Award is chosen by the committee, from nominations submitted by the members.

The recipient of the Merit Award is chosen by the members at the AGM, from nominations submitted earlier by the members.

Past recipients of the awards (listed on the back of the forms included with the last Country Call) are not eligible to be nominated for the same award again.

Shyanne Johnson

Shyanne started singing in 2010 in Mildura with the Sunraysia choir and loved every minute of this.

She started singing in 2011 with Aylien Hughes after which she entered the Barmera Country Music Festival talent quest winning the Len Wakefield award.

Shyanne is 10 years old and loves all types of music. She can hear a song and remember the lyrics in minutes. Shyanne also loves new musical challenges, vocal and instrumental. She is also learning the guitar.

Shyanne loves the new country music but also loves John Williamson's songs such as 'Rip Rip Woodchip' and 'Old Man Emu'.

Shyanne has a vast vocal range and always attempts new challenges.

Shyanne would love to one day be able to go to Tamworth and take in the experience and knowledge that she has only ever heard about.

From Shyanne's mother Stacey.
