President's Report -

A big hello to all members and friends. Well we have had a great two months since our last report. In March we had the band Heartland with special guest Craig Giles, also our 2015 Len & Lorraine Memorial awardee Juliet Oliver. She is certainly a great talent and worthy of the award. The band was excellent as always and Craig was the usual consummate entertainer. A real showman.

It was a bit disappointing to read on facebook next day that our guest artist was lip syncing (miming) and air playing his guitar during his set with backing tapes. *I can assure you Mi.. that Craig has no need to mime/air play during a performance. He is far too professional.*

In April we had Allan Webster and the Country Gentlemen. Their performance was first class along with Peter Tomlinson and Steve Tripodi. Another fantastic day large attendances on both days.

I have to advise Members that membership is now due again. The membership year commences from 1st March each year and we usually allow the month of April before membership lapses. See Raelz and become a paid up member of a mighty club.

Good news for members. At our last Committee meeting it was ratified that our split membership category will be abolished and replaced by a one (1) only fee amount. This will apply from 1st March 2017. The actual fee decided by the Committee will be ratified by members at the AGM. No more pension card sighting!

Our Catering Coordinator, Bernie, will be away on leave for the May show and then August/September. The June show will have pies/pasties and pavlova added to the cuisine. Whilst Bernie is absent, our catering

ladies, in short supply, will still make sandwiches, cake and savoury as usual but would like some temporary assistance. We are desperate for more helpers in the kitchen – male and female. Ring me on 0409 692 434 and I will only be too pleased to encourage you. There is a benefit.

The Club guitar is up for sale. (advert in Country Call) The reason for such is that it does not get used for why it was purchased – for walk ups to use. It had been under a bed in Lorraine's place for a long time. It is a DAION and in immaculate condition. It is good value for the asking price. Hard case included.

Scott sent the following words.

"My name is Scott Rathman jnr and I perform under the name JNR. Originally a percussionist I moved to the guitar and vocals 6 years ago forming a band/duo with my younger brother performing as part of 'Brutha 'n' I' for shows such as the Adelaide Fringe, the opening of the Aboriginal War memorial etc. I have recently gone solo in a bid to chase my dream of being a country singer. I hope to spread a message to young Aboriginal people across Australia.

More photos of most of our club meetings (from 2008) are on our website www.acmc.org.au. Past Country Calls (mostly in colour) from 2006 are also there. There are also many photos by Robert Chapman on line (link on our website). Check our facebook page too!

Please save the Club having to print, fold and post your Country Call by downloading your COLOUR copy from our website. It is usually on the website a week before most members receive their posted version! Please send an email to publicity@acmc.org.au and ask to be taken off the mailing list. You will be sent an email advising when the next issue is available to download.

Newsletter Distribution.

With the recent large increase in postal rates, it is becoming much more necessary to reconsider how our members receive their Country Call.

Country Call has been available to be downloaded from our website for many years. This has been publicized many times in the past. Unfortunately, not a large number of members have chosen this method of delivery. Please consider this option. Country Call from the website is in colour, delivered earlier than a posted version and this option saves the Club the cost of printing and postage. It also saves the effort of folding and posting! We tried making Country Call available at meetings, but not many favoured that method, but are offering that option again!

The Club is requesting members choose one of the below delivery options.

1. Download from website
2. Pick up at the next Club Meeting
3. Be posted.

If those opting for picking up at Club Meetings don't attend, Country Call would be posted shortly after the meeting.

Please indicate to the Membership Officer or Publicity Officer which option you prefer. Country Call will continue to be posted to those not contacting us.

Vale Frank Roberts

Frank passed away on April 8. His funeral was held on April 15th.

Frank was a foundation member of Coast FM, presented his Pyjama Country Program 3am to 6am for years and also often manned the phone for years for Chris Hill for his long running Saturday afternoon Country Roundup program.

Frank came to the Club a number of times.

Condolences to his family.

Stewart and Joanne. Gary T suggested the caption should be 'they are going to the chapel'

Please furnish our Membership Officer / Secretary (Raelz) with your email address, and let her know if you would be happy to download your Country Call from our website or pick it up at meetings.

Sadly it has been four years since Dean and Shirley Beviss lost their son Mark from diabetes.

The fund is administered by the APMC committee with expenditure limited to the interest from capital invested (plus raffles from time to time), with all payments made to the appropriate body. Annually an awardee is chosen by the Full Committee. Contributions to the fund, which may be made to the club treasurer at any time will be acknowledged in the club newsletter.

After Lorraine's death the fund was renamed to include Lorraine's name. The selection procedure has had to be changed slightly as fewer committee members have been attending the South Australian Country Music Festival in the Riverland where for many years a recipient was recommended.
