**President's Report -  
PRESIDENTS REPORT**

Hello to all members and friends. I am scripting this report early as I am going overseas for a 6 week holiday and as such by the time you receive this newsletter I will hopefully relaxing and sightseeing Ireland. I will report back for duty at the July meeting.

Our March show featured Jay J. Shannon & Winchester along with guest artist Tiffney Reynolds. A good day with a pretty good attendance.

As we had no show in April, I went to the Willaston club to see Kim Ritchie. Her vocals are fantastic and the audience were totally supportive. It was a superb show. I have negotiated a date to have her at our club early next year but will confirm this with the members at a later date. A point of interest was that there were six club Presidents present at this event. I stayed overnight as a guest at President Ray Cockshell's place (where Kim was staying) on Saturday night prior to their show on Sunday. What a night we had as Kim (totally blind from birth) has a great sense of humour and there was a lot of fun and laughter. Thanks Ray.

On the sad side we lost a good member Ross Daly on March 28<sup>th</sup>. I, along with a few other club members attended his funeral at Centennial Park with a few words spoken. Ross was well known for his fund raising for 'Angel Flight Foundation'. Also went to the funeral of an early member of our club, Helen Whelan, on April 13<sup>th</sup> held at the Salisbury Mausoleum. Helen was a very early member, perhaps an original member, who composed (with the help of Anne Wills) and recorded a song called "500 families" in remembrance of families who lost children with 'cot death' as Helen herself did. There were many cassettes distributed but very hard to find now. Her brother, who helped finance the recording did not get a copy and asked me if I knew where he could get one. If any person who might have a copy I would like to borrow and record this

song for her brother. The family, of whom I knew no one, were very appreciative that I was able to speak about Helen at the service.

Our great 'senior', member Barbara O'Daniel has had a bout of illness that resulted in a hospital stay, came home and had a fall breaking a couple of ribs. Stay well Barb. Gary Trenerry has had a hospital procedure done and then suffered ensuing problems that caused some concern at the time. Up and about now but taking it easy. Dorothy Chapman has had a hip replacement done and is now at home recuperating.

Any further points of interest may be added by Ian Fisk if necessary.

Keep it country.

*Dean Beviss. President*

Our April meeting was very well attended. The band was Jukebox Boys from Port Pirie. They were very popular. Guest artist Joe Musico from Warrnambool Victoria was well received. We had a surprise performance from Gemma Tiller, the recent recipient of the Len and Lorraine Wakefield Memorial Award. She sang three songs very well!

For almost a year, the committee has been meeting after our Club days at the Slovenian Club. It makes for a long day, but at least members do not have to devote another evening to go to a meeting elsewhere. For years the meetings were held at Lorraine Wakefield's home, then at the Paddocks Centre, Para Hills. For some those two meeting places involved long drives!

Please consider nominating for a committee position. Our Annual General Meeting is not far away (Aug 5). The Vice President position has been vacant for a long time, the Treasurer and Entertainment Officer positions and four general committee positions need to be filled. Normally only three general committee positions are available at each AGM, but one has been vacant all year! A nomination form will be included in this Country Call. Please also nominate for the Industry and Merit award. Note only club members are eligible for the Merit Award!

## June Show :- Sandra Humphries and Band

From her website bio:-

“Sandra Humphries – The Real Deal.

The moment that Sandra Humphries opens her mouth and sings, you know that she has felt every emotion that she puts into her songs.

Sandra Humphries is a South Australian singer songwriter who has lived and breathed country music from a very young age. This is evident in the way she sings, some compare her to her heroes, Loretta Lynn, Tammy Wynette, with a little Emmy Lou thrown in.

Sandra has her own unique way of delivering a song which has gained her the nickname amongst her peers as Australia’s Queen of Country Music.

Having released 5 albums, all which have gained her awards, Independent Female Vocalist of the year twice and Independent album of the year awards and finalist spots.

All albums have had top ten hits on the Country Music charts and Sandra’s newest release I’m Stronger is no exception, with her first single release hitting the Country charts almost as soon as it went out to radio. This new album consists of all original material, something which Sandra has been building towards, just waiting until the right time to release her own material.

Reviews for the album have been exceptional, with most of the industry declaring this her best work yet!

Sandra performs regularly at Australia’s premier Country Music events, and has a very strong fan base Australia wide, she has also toured in America, Europe and New Zealand. Having performed with most of Australia’s leading Country Music artists, Sandra has a vast amount of experience in performing for the crowd!

If you like your music country, you will be guaranteed to get it with Sandra, you will have a laugh and maybe a cry, you will be entertained,

you will immediately feel like you’re a part of the Sandra Humphries family, and you will most certainly put her on your list of things to see again!”

Sadly Sandra has recently announced that she is retiring. From a recent Facebook post “I have come to the decision that I will be retiring from my music career as of March 2019.”

So make sure you attend our June show, because there will not be many future opportunities to see and hear her!

The band at our June show will consist of Sandra, Henry Czerwonka (her husband, on lead guitar), Anthony Stewart on bass guitar and Paul Orchard on drums.

Anthony, Henry, Sandra and Paul at Barnera June 2016

## July Show :- Bernie & the Bandits with guest artist Chooka Williams

Bernie and his band have been to the Club many times through the years.

From his site are these words.

'Bernie and the Bandits have been playing their own cabaret style of Country Music now for two decades. Bernie "the Bandit" Scott was born and bred in Yankalilla where he began drumming at the age of nine with his father in an old time dance band, moving on to rock bands in the 60's and 70's. He can play almost anything he picks up, including clarinet and saxophone.

David Cross joined Bernie and the Bandit's as keyboard player in 2002. He also sings and harmonises and like Bernie, David had his musical start in pop bands, crossing over to Country Music in the 80's.

Bobby Craig replaced Bert Elliott as the band drummer. Originally from Ireland, Bobby has been in Pop/Rock bands throughout his career. Bobby adds further to the versatility of the band with his vocals and harmonies.

Kevin Bergen - multitalented musician from Gawler, plays pedal steel, when a 5-piece band is required.

### Brian "Chooka" Williams

from is webpage  
'True Country' at its Best!!

In 2010 Chooka was inducted into the SA Country Music Hall of Fame at Barmera.

Chooka has a natural vibrato quality voice of strong country and has become very in demand around the Adelaide Country Music Circuit and beyond. A regular at the 'Alcheringa Shindig', Mildura & Barmera Country Music Festivals, Chooka has become a regular face. His willingness to always lend a hand at fundraisers right across the State has seen him become a favourite and respected performer not only with audiences but also with his many associates in the Country Music Arena.

Born in Ouyen on 10th August 1946, the 4th of five children in a musical family (his mother played piano), young Brian started to learn guitar, voice and presentation at an early age with Mary Cummins (song writer and singer and established country performer)

His first performance in 1964 was for the Ouyen District Hospital Fund Raising Concert, playing rhythm guitar and was lead singer with Owltones.

Ian Woods - on bass

Each of these talented members has earned themselves respect to go with their countless awards in the music industry over the years. Bernie and the Bandits are able to

mix and match a repertoire to suit audiences, with a little pop, 50's/60's rock'n'roll, country rock, military two steps mixed in with standard and classic country music.

They are a fun band with plenty of good sing-a-long country music!

During the 70's and 80's he continued with "Martin, Barton & Fargo" band from the 80's.

His list of CDs range from his first - 'Sunset Country', recorded with Star Productions in 1997. Then followed in 1999, - 'Mallee Country'. 'Still Steady' his current CD is full of true country, which has been receiving very good airplay.

Chooka at Lameroo in April

Chooka has many credits to his name over his career including participating in the Olympic Torch song contest with local children (who wrote the lyrics) and Chooka co-wrote the music of the winning song and performed with the children in Mildura while the cauldron was lit.

He is a very keen die hard Collingwood fan, do ask him how they are going, especially when Collingwood is losing!

### Len and Lorraine Wakefield Memorial Fund

Subject to certain conditions, the purpose of the fund is to assist younger talent with proven ability: a) in entering talent quests throughout South Australia, Mildura and Tamworth, b) by payment or part payment of professional tuition, and c) towards the cost of a musical instrument. The fund is administered by the APMC committee with expenditure limited to the interest from capital invested (plus raffles from time to time), with all payments made to the appropriate body. Annually an awardee is chosen by the Full Committee. Contributions to the fund, which may be made to the club treasurer at any time will be acknowledged in the club newsletter.

After Lorraine's passing the fund was renamed to include Lorraine's name. The selection procedure has had to be changed slightly as there are fewer talent contests held at present than in the past.
