## President's Report -

Hello to all members and friends. We are now in the latter months of the year and I am sure that when I was a 'kid' the years did not go as quickly as they do now. I don't seem to be able to do all of my jobs on time now.

As most are aware I went on a 4 week holiday to Ireland in May/June. I was solo, hired a car and covered 2,500kms around the whole coast and inland as well. Had a really wonderful time and came home replenished.

It is encouraging for me to have committee person Kay Peel now elevated to Vice President. This position has been a casual vacancy for 2 ½ years. Kay filled in for me at the June show and from what I have been told did a fine job.

At the June show there was an issue between the line dancers and the rock & roll dancers. The matter was raised at the committee meeting and as a result we are asking the line dancers to dance as one body either at the front or the back. The serious rock & rollers are preferred in the middle of the floor which will leave an uninterrupted passage for ordinary dancers around the perimeter. This will be monitored and hopefully compatibility will ensue.

Rita Orlando, member and volunteer in the catering department, has recently had major surgery. There is ongoing medical treatment, but Rita is on the mend and we look forward to her return. Barbara O'Daniel has had a week long stay in hospital but is now on the move again.

The June event featured the Sandra Humphries band. From all reports their performance was great. The July event featured Bernie and the Bandits with guest artist Chooka Williams and an impromptu walk up by 'Tod & Jones'. All together made a ripper day of entertainment. Many voices of praise.

I am looking forward to the August show to see Guest artist, **Dave Prior** who is a fine singer of Merle

## August Show Guest Artist Dave Prior

Words from his website

"Mystoryso far...For the better part of 35 years my career was in commercial radio, as an Announcer, program director and general manager of stations such as 8HA Alice Springs, 5CC Port Lincoln, 5MU Murray Bridge and 96.5 & 98FM in Geraldton WA.

Then I had a midlife crisis, and realised because of the aforementioned career, I could not afford a fast sports car, or even a slow one, or a slow woman, or a slow yacht but, more importantly, I certainly didn't want to spend any more time working for other people.

Yes, I'd reached that age where it was time to reinvent myself and make a comeback which is quite difficult when you haven't really been anywhere. So I picked up my old guitar and threw it in the back of my even older ute and never looked back. Well, maybe once. I think it was a kangaroo.

A couple of highlights so far include doing the support act for Adam Harvey on a number of occasions, doing a country music festival in France (yes, France), working with other comedians in the club circuit and doing a few tours with Cricket legend Doug Walters. We had a lot in common, and it wasn't cricket.

Now here I am with my latest effort, The Functioning Drunk, my fourth comedy CD recorded in front of a live audience.

I love my job and look forward to every gig. I hope I can do one for you soon.

But enough about me. It's all about you now.

I look forward to hearing from you and/or catching you at a gig sometime soon."

## August Show special appearance of Len and Lorraine Wakefield Memorial Fund recipient Charlotte Pluckhahn

Charlotte's mother sent the photo of Charlotte and following words.

"Hi my name is Charlotte, I'm 12 years old and am in Year 7 at Loxton Primary School. I started singing at 7 years of age with a small group kids at Music Alive. I did this for 1.5 years before my teacher said I should take individual singing lessons. I started to sing and learn the piano for about a 1 year then concentrated on singing mainly. I have also learnt the trumpet but I have braces now and have had to give this up as it hurts my lips.

I love to sing meaning full songs, ones with lots of feeling and emotions.

Competing at the South Australia Country Music Festival in the Riverland was my first experience in competing. Competing at Barmera was a great experience and I made new friends. I was over whelmed when Kevin spoke to me about performing for your club. I would like to thank you for this amazing opportunity.

I sing in my school choir and have won solo performances.

I have the opportunity to sing with the choir in Adelaide this year at the Entertainment Centre.

Last year I performed in the Little Town musical, I played and sang a lead roll, this was my first time experiencing stage productions.

I love playing netball and I swim competitively in summer. I enjoy cooking, walking and

of course singing / performing. When I grow up I'd like to be in the singing industry. I'm also looking at studying physiotherapy or nursing. I love animals and I have 3 dogs and 1 cat as pets. I have an older sister who plays the guitar and piano and is a great animator drawer. My mum works for my school in the office and my dad is a retired police officer and is now back building.

Thank you, Charlotte Pluckhahn

**Annual General Meeting August 5<sup>th</sup>  
11am**

## September Show :- Tracey Rains and Claypan

Quite a few years ago the following was put on their website.

"The 'Tracey Rains and Claypan' band are looking forward to a long future in country music and have included a repertoire of songs carefully selected to appeal to the Country Music Clubs and also a separate list for other venues. The Country selection includes hits from artists such as Patsy Cline, Loretta Lynn, Connie Francis, Slim Dusty, Lee Kernaghan, Martina McBride and Leanne Rimes, Anne Murray to name several as well as the good old Gospel.

The other song list includes all the Classic Rock songs of the 70's and up, with contemporary country Rock also."

From Tracey's Facebook page this year "I am a Singer and have my own band "Tracey Rains & Claypan", We are a four piece. Myself on Rhythm and

Greg, Tracy and Lindsay at Laura in 2017

Lead Vocals, Greg Bunnett on Lead and harmonies, Lindsay Oaklands" on Bass, and Niel Norton on Drums."

Tracey messaged that she and her daughter Josie had just returned from the Junior Academy (in Tamworth) where Jose wrote with Alan Caswell. We are all very excited about coming to Adelaide again and can't wait to say a big hello to everyone. X

## September Show Guest Artist Juliet Oliver

From her website "There is something about a country music song that's like a good wine. There's a quality, a workmanship, a passion that goes in to both. Hailing from the South Australian wine region of McLaren Vale, 19 year old songwriter and country singer Juliet Oliver first discovered country music through watching Disney program Hannah Montana as an 11 year old. This led to her parents gifting her a guitar and so Juliet started teaching herself guitar via Youtube.

Like many young country artists her age, it was Taylor Swift who pulled her in to the genre, which guided Juliet to begin crafting songs about her experiences as a young teenager. It was the freedom of performance and song-writing of country music that was preferred over classical lessons at school.

As she fell in love with country music, Juliet began to search out other country artists where she discovered and was inspired by the great women of country such as pioneer Patsy Cline and Linda Ronstadt, and songwriters Dolly Parton and Jason Isbell.

On her debut self titled EP with her sweet warm vocal, Juliet infuses her influences into youthful stories of positivity, inspiration and heartbreak. The impossibly cute songstress sings on lead track and first single "I Don't Want To Get Over You"... "I'm Sure You've Heard it All Before But It Feels So Right And The Summers So Warm". The last song written for the project came to Juliet only a few weeks before going into the studio to record with Producer Simon Johnson at his Hillbilly Hut studio on the New South Wales Central

Coast. An upbeat, feel good song about not giving into heartbreak and doing what you want. It's catchy as hell and will have you dancing along.

A passionate entertainer Juliet has been building new converts through her shows on South Australia's Fleurieu Peninsula, south of Adelaide. Stepping

into her own with a shower of senses through her songs, conviction and performance. Says Juliet "I love performing live because it gives me the freedom and opportunity to bring my songs to life, allowing me to further express the emotion and meaning behind them. It's exciting to be able to play off of the audience's energy and my own adrenaline while forming an atmosphere and a connection. Playing live is an exciting way to be able to share my stories by creating a visual performance".

With a country attitude, there is definitely a little edge to Juliet Oliver with a touch of classic. She is true to herself, age and where she comes from. She writes what she lives and not pop songs decorated in country feels. Her songs and her performances will connect with country music fans with her own colour and texture."

### Len and Lorraine Wakefield Memorial Fund

Subject to certain conditions, the purpose of the fund is to assist younger talent with proven ability: a) in entering talent quests throughout South Australia, Mildura and Tamworth, b) by payment or part payment of professional tuition, and c) towards the cost of a musical instrument. The fund is administered by the ACMC committee with expenditure limited to the interest from capital invested (plus raffles from time to time), with all payments made to the appropriate body. Annually an awardee is chosen by the Full Committee. Contributions to the fund, which may be made to the club treasurer at any time will be acknowledged in the club newsletter.

After Lorraine's passing the fund was renamed to include Lorraine's name. The selection procedure has had to be changed slightly as there are fewer talent contests held at present than in the past.
