Vice President's Report.

Hello Everyone. Our President Dean Beviss is currently overseas with his family touring Vietnam. I know we will hear about his adventure on his return at the December meeting.

Our October show was well supported with Tru Country and the ever popular Graeme Hugo plus guest artist Malcolm Doyle and Charlotte Pluckhahn who received the 2018 Len and Lorraine Wakefield Memorial Award. Charlotte from Loxton is only 12 years old and has a bright future ahead. Walk up artist Wombat also entertained us in the break.

Congratulations to Judy Fairhead, our hard working and dedicated treasurer who was presented with the 2018 Merit Award.

In November we had a great show with Crossfire. They kept the dance floor full for most of the day. Our guest artist Paul Walker performed well ably backed by the band. Another up and coming young artist, 14 year old Ella Hebbberman from Jamestown sang several numbers. Ella and her family are heading to Tamworth in January to perform at the annual festival.

I feel it is good for us to open our doors and encourage young performers in country music. Walk up artist Rob Mounsey also contributed a couple of numbers.

Some sad news, our bright and bubbly member of many years standing, Dot Burke passed away recently following a long battle with cancer. Many country music club members from various clubs attended her funeral in Gawler.

Christmas is fast approaching and on behalf of the committee, I wish you and your family Merry Christmas and Happy and a Healthy New Year. We are looking forward to celebrating our Club's 30th Birthday in February.

Regards Kay Peel

Some words from an old Gawler Country Music Club Newsletter

'Eddie Edwards has played professionally for nearly 40 years. He started out as a singer/drummer in the late 60s in Melbourne Victoria.

A chance gig with the touring band Ironbark lead to

a position as bass and lead guitarist with Graeme Hugo for 2 ½ years when he then moved to S.A.

Eddie now works as a sole artist in both country and rock music, and also freelances as a guitarist with other bands including Warren Johncock's band Midnight Special.

He is also a member of the Folk/Bluegrass/Irish group Finnagain, from Gawler.'

December Show Guest Artist:- Derani

Derani was the first recipient of the Len Wakefield Memorial fund award in 1996. After having a few children, she has for the last few years been entering talent quests in SA and going quite well. See some details on <http://country.ianfisk.org/artists/haynesd/index.html> in November this year at The Burra Country Music Festival talent quest Derani came

in first in the Senior Vocal section, third in the Senior Country Rock section and first in the Open Duet section with Gemma Tiller!

The below was taken from her site, <https://www.derani.net/>

'I am a true country girl at heart who loves the simple country life. I was raised in the small country town of Balaklava in South Australia just North of Adelaide.

I am the kind of girl who loves life and gives everything and anything a go. I love the outdoors and all it has to offer but I am also a very traditional person who enjoys patchwork, needlework and other hobbies.

Country Music, Rock'n Roll and pretty much most genres of music were played in our home growing up and I have a love for them all. I am especially fond of the classics from George Jones, Crystal Gayle, Tammy Wynette and also from the more modern singers George Strait, Trisha Yearwood, Reba, Lorrie Morgan, The Judds, Martina McBride, Sara Evans and Pam Tillis (Just to name a few).

I began singing way back when I was around 14 years old and yes, I was absolutely terrible and extremely nervous. Safe to say I never sang again for quite a while. I still had the love for music and I started a family country band called 'Misty Mountain', with my sister and brother. I entered many talent quests on our travels and have a cherished collection of trophies - including the Len Wakefield Memorial Award from 1996.

Over the years we travelled all around South Australia performing at many different venues and functions. Some of the places we performed at were Warooka, Avon, Owen, Peterborough, Carrieton, Yongala, Barmera, Gawler, Adelaide, Ureli, Clare, Blyth,

Kapunda, Port Augusta, Dublin, Greenock (plus many, many more).

We met some truly amazing people and some I can say are still friends today.

I gave country music away for a number of years due to many reasons, my life changed and I had a true doubt of whether I was actually any good and if it was worth pursuing country music anymore. I soon realised that country music was part of me, in my blood and I really missed having fun, entertaining and meeting new friends.

Which I guess leads me to where I am today.

Now I am a solo artist who loves to keep everyone on the dance floor, after all if you're not dancing or tapping your feet then I'm not playing the right stuff. I play a great variety of good traditional and modern country songs that everyone can dance and sing along to like:

Blanket on the Ground, Every Little Thing, Let me be there, Bartender Blues, Pick Me Up on Your Way Down, These Boots Are Made For Walkin, Silver Wings, Blame it On Your Heart, Crying Game, just to name a few.

I hope you have enjoyed reading a little about me and I look forward to meeting you somewhere soon.

Derani xx'

The following is on their site.

'Performing the best of soft rock, country and pop, The Road Runners are a well seasoned band of highly experienced, professional and versatile musicians who are still going strong.

The lads perform classic hits from The Shadows, The Mavericks, Roy Orbison, Gerry and The Pacemakers, The Eagles along with a massive variety of favourites.

Each member has played in some of Adelaide's high profile bands including Fahrenheit 451, Celcius,

The band is available and taking bookings for all events in Hotels, Clubs, Community and Corporate Events, Parties and more.

If you would like further information or to make a booking, please phone Mike Brady on 0428 118 690.'

January Show Guest Artist:- Graeme Clarke

Graeme sent the below:-

'Born in NZ Graeme arrived in Australia in 1980 to take up a 2 year contract in the NSW Electrical Industry but remained in Australia and become a citizen in 1992.

Graeme pursued his musical hobby entertaining around the Newcastle/Sydney area before deciding to go professional, record an LP album titled **"Graeme Clarke Sings Your Favourites"** and single titled **"Tender Trap"** / **"Darling on Your Way Out Close the Door"** and move further afield by touring greater Australia.

During his sojourn in Brisbane, Graeme's song titled **"Tender Trap"** climbed to **No. 9** on the 4KQ Country charts in **Sep. 1985**. It was also included in the top 100 songs for 1985 and placed into the Golden Oldie song list where apparently it will stay for all time.

In 1988 Graeme returned to his electrical profession for a 15 year period managing projects in several overseas countries before returning to South Australia to retire in a little place called North Beach.

It was here he picked up on his musical hobby, wrote 7 songs and released a 14 track CD album titled **"Footprints in the Sand at Wallaroo"** This CD proved extremely popular selling around 1500 copies so he did a follow up 14 track CD titled **"One For the Road"** which contained 4 more songs penned by Graeme.

To add to his entertainment stable Graeme wrote and published three books. Book one of this trilogy **"Pacifica and Beyond"** is titled **"Trail of the Tender Trap"** and is an anecdotal account of Graeme's Australian tour as an itinerant entertainer.

Not satisfied with only having three albums Graeme worked with Vaughn Lofstead from the "Smoke House Studio" in Nashville and put together a string of old classics. He teamed up with Heather Johnson, a local singer, and produced **"Boots Things and Golden Rings"** the title reflecting some of the song titles.

Graeme's latest CD is a solo effort and is simply titled **"Hell and Back"** This CD was created and recorded

entirely in Adelaide SA with the exception of two tracks brought forward off his previous album which were recorded and mastered in Nashville TN.

"Country Club" made **No.1** on the **European Country Music** Charts in **Jan. 2014**, **"Just Call Me Lonesome"** made **No.1** on the International Mainstream Country Music Chart in **Mar. 2017** and **"Baby Are You Getting Tired of Me"** climbed to **No.1** in **Nov. 2017**. **"Hell and Back"** the album's title song, also had some international success making **No.11** on the Country Music Internet Top 30 Indie Chart in **Apr. 2017**.

In October 2017 Graeme was voted No. 23 on the Top 200 International Artists keeping good company with many world famous artists such as Dwight Yoakam (No.22) Willie Nelson (No.21) Shania Twain (No.31) plus many others including Johnny Cash who was voted No.1. This chart was based on International Radio airplay for the particular month taken from a base of 3000 songs played by participating stations.

Graeme has recently released a 26 track **"The Very Best Of"** CD which contains all of his most successful songs as well as many of his other most popular songs.

Sadly Darrell Reed passed away on November 16.

Darrell was the president of the Southern Country Music Club for many years. He was also a life

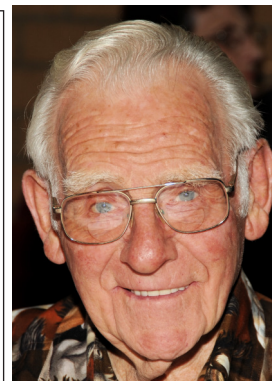

member.

He lost his wife Coral in April last year. In 2013 he and Coral celebrated their 50th wedding anniversary. (from an Advertiser article)

I found over 70 photos of Darrell taken from 2002 to 2016. As well as attending many of the Adelaide Clubs he was often seen at many festivals including the Fluerieu Folk Festival, Blanchetown Country Music Campout, various South Australian Council for Country Music Functions, birthday parties, Murraylands Music Festival, Lameroo Country Music Festival and Alcheringa Shindigs.

He was a very keen photographer and put together many collages of people and distributed them at their funerals.

He will be missed very much, condolences to his family and friends

Len and Lorraine Wakefield Memorial Fund

Subject to certain conditions, the purpose of the fund is to assist younger talent with proven ability: a) in entering talent quests throughout South Australia, Mildura and Tamworth, b) by payment or part payment of professional tuition, and c) towards the cost of a musical instrument. The fund is administered by the ACMC committee with expenditure limited to the interest from capital invested (plus raffles from time to time), with all payments made to the appropriate body. Annually an awardee is chosen by the Full Committee. Contributions to the fund, which may be made to the club treasurer at any time will be acknowledged in the club newsletter.

After Lorraine's passing the fund was renamed to include Lorraine's name. The selection procedure has had to be changed slightly as there are fewer talent contests held at present than in the past.
