President's Report.

Hello to all members and friends. We are now in the second half of the year and it is still damned cold and no country music to go to.

Whilst South Australia is doing very well with the Covid-19 issue there have been no answers yet regarding when restrictions may be lifted. I believe that Victoria with their second bout of coronavirus is going to set our state back a few months with restriction timing. It is hard to consider that we may not open up again this year.

Our committee is meeting on Saturday 25th to discuss the AGM and other matters on the agenda.

As a matter of interest, I have just read on my computer that the Heart of Country Music Association in Texas USA have rescheduled their festival from March 2020 to March 2021. They have bigger problems than us.

There is very little that I can enlighten our members with as there have not been any sickness or obituaries reported to me since the last newsletter. I have had an operation on my nose tip to remove the remainder of a cancer that was removed 12 months ago. A biopsy taken higher on my nose during the operation has revealed another cancer which will be removed at the QEH in a couple of weeks. This may improve my looks!

I will be keeping in touch with all our members regarding resumption of our shows. The Slovenian club will not open up until there are no restrictions and our club is in a similar position.

Best wishes to all. *Dean Beviss President*
