President's Report

Hello, Members and Friends, we have had yet another busy January and February 2024 at Adelaide Country Music Club (ACMC). In February 2024, ACMC had its birthday and we have been running for 35 years and what an achievement this is. ACMC began in 1989 with an idea and has grown ever since. I have been reading up on the history of the club and it is amazing that we have been at the Slovenian Hall for 26 years. This club has certainly had a long journey and it's so important that we recognise the history and appreciate the committee members of the past and present. The more time I spend at this club, getting to know everyone, the more I appreciate it and love it. I know how important ACMC is to all its members, and I hope to see this club move forward and continue.

Over the past two months, we have had fantastic performances from Cross Town Connection and

Working Overtime, with special guest Gemma Tiller and with great attendance from members. These are fantastic bands and artists which members enjoy. Thank you to these bands for their great performances and we look forward to seeing you again soon.

Now, this may be a little depressing, but I know that with the raising cost of living, everyone is feeling the pinch. ACMC is also feeling the pinch with raising costs and I want members to put some thoughts on ways we can move forward. Everything has increased, from rent (Slovenian Club), bands, food costs, we need to consider and put some thoughts on how to keep the club going. For ACMC to continue we need members to consider the future. Some of the ideas that the committee has been thinking about are moving to a new venue, increasing cost of entry,

Please, please, please nominate to download your Country Call from our website, doing so you receive your Country Call early, it saves the Club money for printing and postage, saves the time and effort folding, taping etc. (saves trees too!) You can see a coloured version too! Or at least nominate to pick your copy up at meetings (saving folding, taping, posting and postage)

no longer undertaking any catering. The committee is investigating options, but we need members help in ensuring that the club continues, and we need members to think of options and make suggestions of alternative venues and let the committee know what they want us to do or are happy for us to do to keep this club operating.

Furthermore, I am advising members, that in August, Judy our treasurer will be retiring, which is a huge loss for ACMC. At present we have a very small committee, and with Judy retiring, our club requires a treasurer. Unfortunately, without a treasurer, the club cannot operate. Therefore members, I am asking everyone to think about the future of our club and help with joining the committee or nominating for position

of treasurer in August. I want to continue to be the club president, however our constitution does not allow for one person to undertaken three committee roles, ie president, secretary and treasurer.

Lastly, I would like to again thank all the volunteers who help the committee with several tasks, such as set up tables, assist in the kitchen, raffle and money cards sales and etc. I am so thankful for all the committee members and volunteers because without your help we could not put on our monthly shows for all our members. It important to recognise this, as everyone works really hard in the background and on the day of ACMC to ensure all members enjoy their day.

March Show: - One Night Stand

One Night Stand emerged during Covid times when it became apparent to founding members...Rocky Datsun (of Working Overtime and formerly The Black Hats) and Narelle Thomas (Working Overtime and formerly Mumbo Jumbo) that if band members suddenly caught the dreaded virus it might be wise to have some "spare parts" because we all believe that the show must go on! We were called on to do just that for a big show at Adelaide Oval...and Nick Lenthall and Gareth Saunders...two seasoned Adelaide musicians stepped up for what we thought was only a One Night Stand. However... the show was such a success that we decided to make it an ongoing affair!

One Night Stand will bring you all the Country Classics.... great hits that will keep you dancing and singing all afternoon!
