President's Report

Hello, Members and Friends, we are at the end of the year, and Christmas celebrations are fast approaching for all members. I am sorry that I could not be there for our Christmas show, however, thank you to all the volunteers, Committee members and Santa. I want to say thank you to all the members, volunteers, Committee members and anyone that has helped the club in the last 12 months, it is greatly appreciated by all.

Upon reflection these past 12 months, I personally have had a challenging year, and I am very grateful for all the support from all the members and the Committee. I want to especially thank Maurice Clark who has been able to step in for me during this year. Our club has undergone a lot of change this year.

We have moved to a new place, being the Kilburn RSL, we welcomed new committee members, and have been trying to look at new ways of doing things better for the club. I understand that change is always hard to accept, however when we trial new ways of doing things, it is to benefit the club.

Sometimes they do not work, however we as a Committee have to try. I thank everyone for being patient with the changes and providing feedback to the Committee.

Lastly thank you to all the bands and guest artists that have played for us over the last 12 months. We have absolutely enjoyed the performances and shows. I look forward to a new year with the club and everyone having good health.

Please, please, please nominate to download your Country Call from our website, doing so you receive your Country Call early, it saves the Club money for printing and **POSTAGE (UP AGAIN!)**, saves the time and effort folding, taping etc. (saves trees too!) You can see a coloured version too and much earlier than the black and white hard copy! Or at least nominate to pick your copy up at meetings (saving folding, taping, posting and postage)

Eileen Harris, 94, was in the first Pageant after the war. This year, she has been offered a spot on the Christmas bus. Photo: Naomi Jellicoe

After being in the Christmas pageant at 15 years of age, Eileen Harris has been a fan of the annual celebration ever since.

It was the 1945 pageant, the first one after World War II when Ms Harris was working in the John Martin's dressmaking department that she first enjoyed being a part of the festivities.

"I was dressed as the air force ... and it was wonderful to be in the first year that I was at John Martin's," Ms Harris said.

"And I was in several pageants after that, I was in about five pageants so it has been very close to me."
