

CALL OUT TO ALL MEMBERS

FEEDBACK REQUIRED

The ACMC Committee is seeking feedback from all ACMC members. We would appreciate all members filling in this survey and providing ideas, comments, suggestions that will assist the committee with future decisions.

What can the committee do to increase attendance at ACMC? All suggestions welcome.

The committee will need to consider future catering options. We need members to advise the committee what they would like? As the committee is small, we need to consider catering options and who will assist with providing the catering. Do members want to bring their own food and/or the committee provide reduced catering eg small variety of sandwiches, pies and pastie and cakes.

We also need volunteers to help with set up tables/chairs, pack up tables/chairs, preparing raffle strips, making cakes, making sandwiches. Many hands make light work and if you can offer any assistance at any time, it would be greatly appreciated by the committee. If you can assist, please advise below and what you are willing to assist the committee with.
