President's Report

Hello, Members and Friends, in the last two months, Adelaide Country Music Club (ACMC) moved to its new venue, Kilburn RSL. I understand there has been a few adjustments, and we continue to work with members and the Kilburn RSL to ensure that our club days go smoothly, and everyone enjoys themselves. I want to thank all members for being patient with the Committee Members and also coming along on our journey with moving to the Kilburn RSL. Thank you to the Committee Members and past Committee Members and Volunteers who assisted with moving ACMC belongings from the Slovenian Club to Kilburn RSL.

In the last two months we have had great bands and guest artists perform for the club and as a Committee

we are working together to review and book bands for our future club days. If you have any band suggestions, that you would like the committee to consider, please put them in writing or let a committee member know. Also, if there are any issues or concerns that come up at our club day, I ask members to come and speak with myself or other committee members so that we can bring it up at our Committee meetings. We also have a suggestion box, that you can put any suggestions in writing, which will be brought to the committee. I just want to say, as President of the club, it is not always easy trying to find the time to do my club duties and most of the time, I am doing them on the day. I do hope members know they can come to speak with me

Please, please, please nominate to download your Country Call from our website, doing so you receive your Country Call early, it saves the Club money for printing and **POSTAGE (UP AGAIN!)**, saves the time and effort folding, taping etc. (saves trees too!) You can see a coloured version too and much earlier than the black and white hard copy! Or at least nominate to pick your copy up at meetings (saving folding, taping, posting and postage)
